REPORT RECOMMENDATION

- 1. That Council Report No. AR21/21155 titled 'Funding Local Government Infrastructure Partnership Program Project' as presented on 20 April 2021 be noted.
- 2. BACKGROUND

On the 21st of March Council was advised that it was successful in its application to the Local Government Infrastructure Partnership Program (LGIPP) for \$800,000 funding towards the costs of the Wandilo Road to Wireless Road West Shared walk/cycle path extension and solar light installation. The total cost of this project is expected to be around \$1,600,000 leaving Council to fund the remaining \$800,000.

On the 6th of April LGFA advised Council they were able to access a discounted Cash Advance Debenture Loan facility (-0.75% off the standard CAD rate) to help fund Councils \$800,000 portion. Council is able to split \$800,000 from an existing CAD facility to take advantage of this reduced rate.

Currently Council has 3 CAD facilities with a total limit of \$10,000,000

CAD Facility	Interest Rate*	CAD Limit
CAD 104	2.05%	\$1,800,000
CAD 105	2.05%	\$5,000,000
CAD CV19 104	1.30%	\$3,200,000
Total		\$10,000,000

^{*} As of 31-Mar-2021

PROPOSAL

The proposal is that Council split \$800,000 from CAD 104 to take advantage of the reduced interest rate for the full three-year term available. This would bring the current variable interest rate down from 2.05% to 1.30%

LEGAL IMPLICATIONS

A Council resolution is necessary to authorise the Mayor and Chief Executive Officer to apply the Common Seal to documentation to execute this change.

CONCLUSION AND RECOMMENDATION

Following receipt of an invitation to participate in the Local Government Finance Authority's LGIPP discounted loan package this report recommends that Council authorise the execution of an annexure to Convertible Cash Advance Debenture (CAD) 104 loan agreement including authorising the Chief Executive Officer and Mayor to sign and affix Council's Common Seal to any necessary documents to enact this decision, noting the effect of the annexure is that a discounted interest rate of 1.30% (being 0.75% off the Local Government Finance Authority's current standard variable rate of 2.05%) will apply to a portion (\$0.8M) of CAD 104 and is for a three-year term from date of establishment.

I would like to thank you for submitting an application for funding support under the Local Government Infrastructure Partnership Program.

The Local Government Infrastructure Partnership Program received 107 applications for State funding support totalling \$197.3 million.

Projects were considered and scored against weighted assessment criteria by an evaluation panel in order to prioritise projects within the Government's \$100 million funding allocation.

Assessment criteria included:

- Commencement and completion timing projects were scored on the extent to which they met the Government's shovel ready requirements.
- Job creation including a weighed assessment of estimated construction jobs, use of local contractors and direct employment impacts post constructions.
- Alignment to the Government's Growth State Agenda, or contribution to community wellbeing.

57 projects have been funded covering 58 councils. Total grant funding approved is \$107 million.

I am pleased to offer the City of Mount Gambier support of \$800,000 towards the costs of the Wandilo Road to Wireless Road West Shared walk/cycle path extension and solar light installation project.

LGIPP funding is offered on the condition that:

- · no other State grant funding is received for this project,
- construction must commence consistent with the timeframes set out in your funding application, and

 there will be no additional state funding impacts as a consequence of the project.

It has been determined that this project potentially has impacts on or may require associated works by the Department for Infrastructure and Transport. These potential impacts will require resolution prior to executing grant arrangements. Where there is an interface with a State maintained road please contact Mr Jim Psyridis, Manager, Transport Assessment at Jim.Psyridis@sa.gov.au. Contact needs to be made prior to any works commencing on site.

Where your grant is contingent on third party funding, and the third party funding arrangements change, it is expected that council will either increase their contribution or obtain other third party funding to cover the shortfall. Where the change in third party funding arrangements impact council's ability to deliver the approved project, council is required to obtain the Treasurer's approval to reduce the scope of the approved project.

The Department of Treasury and Finance will be in contact with you shortly with a grant agreement tailored to your approved project.

Should you have any queries about the program in the meantime, please contact the Secretariat on lginfrastructuregrants@sa.gov.au.

Yours sincerely

Hon Rob Lucas MLC

Attention: Barbara Cernovskis

On 16th November 2020, following an announcement by the State Government regarding the Local Government Infrastructure Partnership Program (LGIPP), the LGFA announced it would offer a 3 year discounted Cash Advance Debenture loan facility (-0.75% off the standard CAD rate) to fund the remainder of the project.

Following Council Name's successful application for the grant, we are pleased to advise that your council is entitled to apply for the discounted facility and borrow up to \$800,000 (subject to the LGFA's normal lending criteria).

The discount can be applied to a new stand-alone facility or an existing CAD facility, and will be provided for a three-year term from the date of settlement.

Funds are required to be used in conjunction with the LGIPP grant funding program for the project: Shared walk/cycle path extension and Solar Light Installation Project. The discounted facility is available for set up until the 31st of March 2022. The first settlement date available is the 15th of May 2021.

25 MOTIONS WITH NOTICE

25.1 NOTICE OF MOTION - WULANDA RECREATION AND CONVENTION CENTRE MEMBERSHIP

Meeting: Council
CM9 Reference: AF20/446

Member: Steven Perryman, Councillor

I, Councillor Steven Perryman, give notice that at the next Ordinary Meeting of Council to be held on 20 April 2021, I intend to move the following motion:

MOTION

- 1. That Council Report No. AR21/22072 titled 'Notice of Motion Wulanda Recreation and Convention Centre Membership' as presented on 20 April 2021 be noted.
- 2. That, pending further review of Council's committee structure, meeting schedule and membership at an Elected Member Workshop to be convened with the incoming Chief Executive Officer, the membership of the Council's Wulanda Recreation and Convention Centre Committee be amended by replacing the words 'eight Councillors' with 'up to eight Councillors' in clause 5.1 of the Committee Terms of Reference.
- 3. That I, Cr Perryman, resign from the Wulanda Recreation and Convention Centre Committee effective immediately, with resulting membership of the committee comprising seven Councillors.

RATIONALE

At a previous Council meeting I made comment about the membership of the Wulanda Recreation and Convention Centre Committee and my view that it is inappropriate for the whole Council to be on a Committee.

I would advise of my resignation, but I don't think that is sufficient in the circumstances as Council has endorsed by resolution the Committee Terms of Reference including membership as eight Councillors, so a resolution to amend the Terms of Reference would be required to give it effect.

Noting that an Elected Member Workshop is to be convened with the incoming Chief Executive Officer to review Council's committee structure, meeting schedule and membership of Standing Committees, including membership of the Wulanda Recreation and Convention Centre Committee, I present this motion to amend the Committee membership in the meantime to facilitate my resignation.

I commend this Notice of Motion to Council.

27 CONFIDENTIAL ITEMS OF COMMITTEES

27.1 CONFIDENTIAL ITEMS OF THE PEOPLE AND PLACE COMMITTEE HELD ON 6 APRIL 2021

27.2 Road Opening Process - Pinehall Avenue

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except Mayor Martin, Councillors S Mezinec, K Amoroso, M Bruins, C Greco, B Hood, P Jenner and S Perryman and Council Officers B Cernovskis, D Barber, T Coote, M McDonald, S McLean and M Telford be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 27.2 AR21/12277 Road Opening Process - Pinehall Avenue.

The Council is satisfied that, pursuant to section 90(3) (a), (b), (d) and (i) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead)
- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or
 - to prejudice the commercial position of the Council

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information, or
 - to confer a commercial advantage on a third party

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- information relating to:
 - actual litigation, or
 - litigation that the Council or Council committee believes on reasonable grounds will take place,
 - involving the Council or an employee of the Council

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the information to be considered relates to the compulsory acquisition of land for road opening purposes for which the owner has not engaged in negotiations and it is reasonably considered will result in litigation.

CONSIDERATION FOR KEEPING ITEMS CONFIDENTIAL

- 1. In accordance with Sections 91(7) and 91(9) of the *Local Government Act 1999* the Council orders that the report 6.1 AR21/12277 Road Opening Process Pinehall Avenue and its attachments, the discussion and the resolution/s and minutes arising from the report, having been considered by the Council in confidence under Section 90(2) & (3) (a), (b), (d) and (i) be kept confidential and not available for public inspection until the acquisition of the subject land has been settled and any court actions finalised.

The Council is satisfied that, pursuant to section 90(3) (k) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- tenders for the:
 - supply of goods, or
 - the provision of services, or
 - the carrying out of works

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because this item relates to the discussion and recommendation of tenders for external audit services.

CONSIDERATION FOR KEEPING ITEMS CONFIDENTIAL

- In accordance with Sections 91(7) and 91(9) of the Local Government Act 1999 the Council orders that the report 6.1 AR21/20765 Tender for External Audit Services for FY2022 to FY2025 and its attachments, the discussion and the resolution/s and minutes arising from the report, having been considered by the Council in confidence under Section 90(2) & (3) (k) be kept confidential and not available for public inspection until two years after the recommendation of external audit services.
- 2. Further that Council delegates the power to review, revoke, but not extend the confidential order to the Chief Executive Officer in accordance with the provisions of Section 91(9)(c) of the Local Government Act 1999.

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

The Council is satisfied that, pursuant to section 90(3) (b) and (d) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:

The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the disclosure of information associated with this report could benefit one or more participants bidding for the provision of Council services and prejudice Council's bargaining in this area. It would potentially be of detriment to the Council in achieving best value for the provision of services to release this information at this time. The disclosure of this information at this time is considered on balance to be contrary to the public's interest as it would prejudice the Council in obtaining best value services on behalf of our community.

In accordance with Sections 91(7) and 91(9) of the *Local Government Act 1999* the Council orders that the report 5.1 AR21/19990 Wulanda Recreation and Convention Centre Branding and its attachments, the discussion and the resolution/s and minutes arising from the report, having been considered by the Council in confidence under Section 90(2) & (3) (b) and (d) be kept confidential and not available for public inspection until two years have elapsed. The information relating to the name of the successful provider and contract value is to be released to the public following the execution of a signed contract with the chosen company.

27.7 Project Control Group (PCG) Progress Report - As at 05/04/2021

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except Mayor Martin, Councillors S Mezinec, K Amoroso, M Bruins, C Greco, B Hood, P Jenner and S Perryman and Council Officers B Cernovskis, D Barber, T Coote, M McDonald, S McLean and M Telford be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 27.7 AR21/20559 Project Control Group (PCG) Progress Report - As at 05/04/2021.

The Council is satisfied that, pursuant to section 90(3) (b) and (d) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or
 - to prejudice the commercial position of the Council

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information, or
 - to confer a commercial advantage on a third party

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the disclosure of information associated with this report could reasonably be expected to prejudice the commercial position of the third party as the present matter relates to the signed contracts between Council, BADGE, Turner and Townsend, Design Inc and Rider Levett Bucknall for the construction of the Wulanda Recreation and Convention Centre.

The disclosure of this information at this time is considered on balance to be contrary to the public's interest as it would unreasonably expose the sensitive interest of the third party.

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except OAM L Martin, Councillors S Mezinec, K Amoroso, M Bruins, C Greco, B Hood, P Jenner, F Morello and S Perryman and Council Officers B Cernovskis, M McDonald, D Barber, T Coote, M McCarthy, S McLean and M Telford be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 27.2 AR21/11450 Project Control Group (PCG) Progress Report - As at 01/03/2021.

The Council is satisfied that, pursuant to section 90(3) (b), (d) and (k) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or
 - to prejudice the commercial position of the Council

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information, or
 - to confer a commercial advantage on a third party

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- tenders for the:
 - supply of goods, or
 - the provision of services, or
 - the carrying out of works

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because specifically, the present matter relates to the execution of a signed contract between Council and Badge for the construction of the Wulanda Recreation and Convention Centre.

28.1 QUESTION WITH NOTICE - WULANDA RECREATION AND CONVENTION CENTRE FUNDING - REPORT NO. AR21/14681

RESOLUTION 2021/80

Moved: Cr Paul Jenner Seconded: Cr Sonya Mezinec

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except OAM L Martin, Councillors S Mezinec, K Amoroso, M Bruins, C Greco, B Hood, P Jenner, F Morello and S Perryman and Council Officers B Cernovskis, M McDonald, D Barber, T Coote, M McCarthy, S McLean and M Telford be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 28.1 AR21/14681 Question With Notice - Wulanda Recreation and Convention Centre Funding.

The Council is satisfied that, pursuant to section 90(3) (b), (d), (g) and (j) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or
 - to prejudice the commercial position of the Council
- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information,
 - to confer a commercial advantage on a third party
- information concerning matters that must be considered in confidence in order to ensure that the Council does not:
 - breach any law, order or direction of a court or tribunal constituted by law,
 - breach any duty of confidence, or
 - breach any other legal obligation or duty
- information the disclosure of which would divulge information provided on a confidential basis by or to:
 - a Minister of the Crown, or
 - another Public Authority or official (not being an employee or a person engaged by the Council) that would on balance be contrary to the public interest

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the information to be received includes commercial lending terms and conditions the disclosure of which could reasonably be considered as conferring a commercial advantage on other 3rd party lenders and borrowers and could

prejudice the commercial position of Council in accessing future borrowings. It is considered that the disclosure of this information would be contrary to the public interest, particularly in risking the attainment of best value in the securing of funds for community assets and services.

Further, the information anticipated to be tabled with this item is expected to be on a confidential basis by a public authority, namely the Local Government Finance Authority, creating a duty of confidence the disclosure of which would on balance be contrary to the public interest as it relates to that authorities detailed lending terms and conditions.

RESOLUTION 2021/84

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except OAM L Martin, Councillors S Mezinec, K Amoroso, M Bruins, C Greco, B Hood, P Jenner, F Morello and S Perryman and Council Officers B Cernovskis, M McDonald, D Barber, T Coote, M McCarthy, S McLean and M Telford be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 28.3 AR21/8520 Blue Lake Golf Club - December 2020 Quarterly KPI Report.

The Council is satisfied that, pursuant to section 90(3) (d) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information, or
 - to confer a commercial advantage on a third party

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the report attachment includes commercial information relating to the operations of the Blue Lake Golf Club the premature disclosure of which could reasonably be expected to confer advantage on a 3rd party and prejudice the commercial position of the Blue Lake Golf Club.

The public interest in the disclosure of this information is considered to be outweighed by the public benefit provided by the maintenance and management of the public land on which the golf course is located which is reliant on the continued successful operations of the Blue Lake Golf Club.

Pursuant to Section 75A of the Local Government Act 1999, Cr Greco disclosed a perceived conflict of interest in Item 28.3:

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the People and Place Committee orders that all members of the public, except Mayor L Martin, Councillors F Morello, K Amoroso, M Bruins and S Mezinec and Council Officers B Cernovskis, D Barber, T Coote, M McDonald, M McCarthy and A Lavia be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 6.1 AR21/12277 Road Opening Process - Pinehall Avenue.

The People and Place Committee is satisfied that, pursuant to section 90(3) (a), (b), (d) and (i) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead)
- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or

 - litigation that the Council or Council committee believes on reasonable grounds will take place,
 - involving the Council or an employee of the Council

The People and Place Committee is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the information to be considered relates to the compulsory acquisition of land for road opening purposes for which the owner has not engaged in negotiations and it is reasonably considered will result in litigation.

Summary: This report presents an updated Council Policy D230 - Donations

Goal 3: Our Diverse Economy

REPORT RECOMMENDATION

- That People and Place Committee Report No. AR21/18417 titled 'Policy Review D230 -Donations Authority to Approve Requests' as presented on 06 April 2021 be noted.
- 2. That the updated Council Policy D230 Donations Authority to Approve Requests as attached to Report No. AR21/18417 be endorsed.

TYPE OF REPORT

Corporate

BACKGROUND

The Donations Authority to Approve Requests Policy (Attachment 1) provides formal scope, direction and authority for City of Mount Gambier to consider and approve (or not approve) any request that may be received for a Council donation from any of the existing Council general donation schemes as part of the adopted Budgets of Council under delegation.

The policy currently includes the General Manager Community Wellbeing as the sole officer authorised to approve requests for donations via Council's general donations streams including:

- Youth at Risk
- General Community Assistance
- Sponsorship of Community Events
- Sponsorship of Minor Events
- Sponsorship of Major Events
- Special Recreation and Sport Assistance
- Donations Sporting Organisations

It should also be noted that various donation and sponsorship applicants are recipients of other inkind and subsidised Council support, with cumulative values exceeding the \$5,000 threshold referenced in Policy D230.

PROPOSAL

This report proposes that Policy D230 be updated to reflect the Chief Executive Officer and General Managers as officers authorised under Policy D230 given Council's general donations and in-kind support are administered across all four Council portfolios.

It is also proposed that an administrative review of other in-kind and subsidised support services be conducted. The review will focus on a transition to provide more transparent, accountable and equitable arrangements such as documented fee for service level agreements charged in accordance with Council's Fees and Charges Schedule and/or inclusion of such in-kind support/subsidies in future deliberations associated with Policy D230. This may warrant further policy considerations in due course which would be the subject of a future report.

LEGAL IMPLICATIONS

Council and Council Officers have obligations to comply with Council Policies. The current policy provision authorising only one officer position to approve donation requests is restrictive and inefficient, particularly during any absence of the identified officer.

STRATEGIC PLAN

- 1.1.1 Fostering and supporting community-based organisations.
- 1.1.2 Supporting programs that allow our community groups to be more effective in achieving their goals.
- 1.3.1 Supporting community events and programs that bring people together, encourage interaction and promote a sense of community.
- 1.4.6 Providing grant programs that assist the community in delivering services and projects that align with its aspirations.
- 2.4.4 Work in partnership with our sporting clubs to improve their sporting and clubhouse facilities and to help them take advantage of accommodation opportunities for groups.

ENGAGEMENT AND COMMUNICATION STRATEGY

The first stage of the engagement process announces the project to the community, highlighting that the project is underway and calling for the community and stakeholders to become involved with the project.

Promotional information will be distributed to the community through a number of channels, including print and social media, news releases, promotion at key reserves and a mailout to Mount Gambier residents.

Community input will be sought through the Have Your Say Mount Gambier website, three (3) community drop-in sessions and two (2) stakeholder workshops.

The Have Your Say website will provide the community with an online survey, asking about their experiences using Council's open space, parks and recreational facilities.

The community drop-in sessions will be held at Hastings Cunningham Reserve, Frew Park and AF Sutton Reserve. These sessions will be semi-structured, with a range of information about the project which act as prompts for discussions between community members and the consultant team.

The stakeholder workshop will be facilitated by council and the consultant, to engage with a range of local clubs and groups. The focus of the workshops will be on spatial and built form improvements; issues facing our local clubs and groups in respect of condition and functionality of existing facilities; levels of utilisation; supply of facilities across the City; opportunities for improvement, investment and prioritisation. The workshop will be focussed on thinking about Mount Gambier as a whole, rather than individual locations. A key focus will be around how to ensure that Mount Gambier can deliver open space, parks and recreational facilities which are above the level expected for a city of this size.

This stage of the consultation process will commence on Monday 12th April. The community drop-in sessions and stakeholder workshops will take place from Thursday 6th May 2021 until Saturday 8th May 2021.

IMPLEMENTATION STRATEGY

This has been outlined earlier in this report.

REPORT RECOMMENDATION

I. That People and Place Committee Report No. AR21/18903 titled 'Local Government Infrastructure Partnership Program' as presented on 06 April 2021 be noted.

TYPE OF REPORT

Corporate

BACKGROUND

Council at its meeting held Tuesday 19th January 2021 resolved:

- 1. That Council Report No. AR20/85887 titled 'Local Government Infrastructure Partnership Program' as presented on 19 January 2021 be noted.
- 2. Council prepare a submission for the Local Government Infrastructure Partnership Program, seeking State Government funding to assist in the installation of solar lights along the entire shared cycle/walking rail trail and undertake completion of the Wandilo Road to TAFE, Wireless Road West shared path project.

This report provides Members with an overview the implementation of the Local Government Infrastructure Partnership Program initiative.

PROPOSAL

Council was advised on Monday 22nd March that it had been successful in securing funding of \$800,000 as part of the Local Government Infrastructure Partnership Program. This funding will contribute towards costs of the next stage of the shared bike path, being from Wandilo Road to the TAFESA/UniSA precinct on Wireless Road West and the installation of solar lights along the entire length of the shared path.

The shared path extension builds upon Council's network of shared paths in Mount Gambier; therefore encouraging active lifestyles, further healthy use of the facilities, reduce car dependency, contribute to improved physical and mental health outcomes, increase inclusivity within the City by providing greater access to areas of the City to those without access to vehicles for travel. The location of the shared path extension adjoins one of Mount Gambier's high growth residential areas. The shared path currently runs along the western boundary of the Springview Estate and has been a major drawcard for people to purchase land and build a home, as the path provides a safe and direct link into the Mount Gambier CBD, recreation areas and links to other areas of the city. The shared path extension to the existing path will link up Springview Estate with another large residential development on O'Leary Road. Thus opening up opportunities for more residents to use bicycles or walk to employment, education (pre-primary, primary, secondary and tertiary facilities) and all other services provided within the CBD.

The installation of solar lights along the entire length of the shared path network will improve the safety and usability of the shared path. In accordance with the submission, the indicative timeframe for project commence is November 2021 for completion by 30 April 2022.

LEGAL IMPLICATIONS

Nil legal implications have been identified.

STRATEGIC PLAN

The completion of the Wandilo Road to TAFE, Wireless Road West shared path project and addition of solar lighting to the rail trail will contribute to all five goals within Council's Strategic Plan 2020-2024.

Goal 1: Our People

- 1.2. Community growth
- 1.3. Sense of community

ECONOMIC IMPLICATIONS

Nil.

ENVIRONMENTAL IMPLICATIONS

Enhancing the existing rail trail and extending the network of shared paths in Mount Gambier will encourage further healthy use of the facilities and reduce the use of vehicles within the City.

SOCIAL IMPLICATIONS

Enhancing the existing rail trail and extending the network of shared paths in Mount Gambier will encourage further healthy use of the facilities and contribute to improved physical and mental health outcomes.

CULTURAL IMPLICATIONS

Enhancing the existing rail trail and extending the network of shared paths in Mount Gambier will encourage further healthy use of the facilities and increase inclusivity within the City by providing greater access to areas of the City to those without access to vehicles for travel.

RESOURCE IMPLICATIONS

One of the criteria of the Local Government Infrastructure Partnership Program, is that council will match the grant amount. Therefore, Council needs to ensure that \$800,000.00 matched funding is made available for the project.

VALUE FOR MONEY

Under the program, the State Government will provide for up to 50 per cent of the cost of approved infrastructure projects. Councils will be required to fund the remaining 50 per cent of the cost.

RISK IMPLICATIONS

Nil risks have been identified.

EQUALITIES AND DIVERSITY IMPLICATIONS

Enhancing the existing rail trail and extending the network of shared paths in Mount Gambier will encourage further healthy use of the facilities and increase inclusivity within the City by providing greater access to areas of the City to those without access to vehicles for travel.

ENGAGEMENT AND COMMUNICATION STRATEGY

An engagement and communication strategy for the project will be developed in collaboration with Council's Community Engagement team.

IMPLEMENTATION STRATEGY

An implementation strategy for the project is currently being developed with the understanding that all works need to be completed no later than 12 months from the date of the funding approval.

CONCLUSION AND RECOMMENDATION

COMMITTEE RESOLUTION

Moved: Mayor Lynette Martin Seconded: Cr Sonya Mezinec

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Wulanda Recreation and Convention Centre Committee orders that all members of the public, except Mayor L Martin, Councillors B Hood, M Bruins, C Greco, P Jenner, S Mezinec and F Morello and Council Officers B Cernovskis, D Barber, T Coote, M McDonald and A Lavia be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 5.1 AR21/19990 Wulanda Recreation and Convention Centre Branding.

The Wulanda Recreation and Convention Centre Committee is satisfied that, pursuant to section 90(3) (b) and (d) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or
 - to prejudice the commercial position of the Council
- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information, or
 - to confer a commercial advantage on a third party

The Wulanda Recreation and Convention Centre Committee is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the disclosure of information associated with this report could benefit one or more participants bidding for the provision of Council services and prejudice Council's bargaining in this area. It would potentially be of detriment to the Council in achieving best value for the provision of services to release this information at this time. The disclosure of this information at this time is considered on balance to be contrary to the public's interest as it would prejudice the Council in obtaining best value services on behalf of our community.

The Wulanda Recreation and Convention Centre Committee is satisfied that, pursuant to section 90(3) (b) and (d) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

 - to prejudice the commercial position of the Council
- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information,
 - to confer a commercial advantage on a third party

The Wulanda Recreation and Convention Centre Committee is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the disclosure of information associated with this report could reasonably be expected to prejudice the commercial position of the third party as the present matter relates to the signed contracts between Council, BADGE, Turner and Townsend, Design Inc and Rider Levett Bucknall for the construction of the Wulanda Recreation and Convention Centre. - 2. That the Audit Committee terms of reference be adopted with the following changes

TYPE OF REPORT

Corporate

BACKGROUND

Council adopted at its meeting held on 22 November 2018 a decision making structure that included the Audit Committee (a Committee established under s41 of the Local Government Act 1999).

The Audit Committee's Terms of Reference (under 9.6) indicate that the Committee shall at least once every two years review its terms of reference. In addition to the requirement in the Terms of Reference the Audit Committee works program suggests a yearly review of the Terms of Reference.

The last formal review by the Committee was on 25 March 2020 and adopted at the Council meeting held on 21 April 2020. At the Audit Committee meeting on 14 December 2020 the Terms of Reference were updated to clarify the size of the committee and was adopted by Council on 19 January 2021.

The Terms of Reference that was adopted on 19 January 2021 is attached to this report

PROPOSAL

The decision making structure adopted by Council includes all s41 Committees of which the Audit Committee is one and the committee reports directly to Council.

In considering any changes to the Audit Committee terms of reference, the Committee should consider the:

- Scope and objectives;
- The Local Government Act Section 126 requirements;
- The extent to which the terms of reference align and are consistent with Council's decision making structure for the benefit of Members and to maintain administrative consistency. Accordingly, the terms of reference have been updated to be aligned with the format and content of the recently created terms of reference for the Economic & Environment Committee and the People and Place Committee:
- The terms of reference state they shall be reviewed at least once every two years;
- The terms of reference were reviewed and adopted within the past 16 months, and;
- A new independent member on the Committee (May 2019) since last review of the terms of reference.

The Committee may consider recommending to Council for endorsement any required changes to the attached Terms of Reference.

Goal 5: Our Commitment

REPORT RECOMMENDATION

- 1. That Audit Committee Report No. AR21/19238 titled 'Quarterly Budget Review 2 2020/21' as presented on 12 April 2021 be noted.
- 2. That the Audit Committee note the adoption of the following resulting from the second quarterly Budget Review for 2020-21:
 - A \$34,996,000 forecast capital expenditure, representing a \$2,801,000 change from the original budget capital expenditure of \$37,797,000 (Item B and C), including a Budget revision carry over to 2020/21 of \$1,856,000 (Item A), an anticipated carry-over to 2021/22 of \$2,668,000 and a change of \$3,522,000 in relation to the construction of the Wulanda Recreation and Convention Centre (Item D);
 - \$1,230,000 forecasted operating deficit, representing a \$363,000 decreased deficit from the original budget operating deficit of \$1,593,000;
 - A \$11,632,000 forecast net surplus, representing a \$813,000 increase from the original budget net surplus of \$10,819,000; and
 - No impairment expense within other comprehensive expenses at BR2.

TYPE OF REPORT

Corporate

BACKGROUND

The 2020-21 original budget includes an operating deficit of \$1,593,000. This budget also includes multiple initiatives that are impacted by the COVID-19 environment. Therefore, a timely and thorough review of the budget on a quarterly basis is required.

Timing

For the 2020-21 Council plans to perform three budget reviews in the year and aims to present these as soon as possible after the close of the previous quarter to the chamber. The timing of the budget review for 2020-21 is therefore:

Budget Review	Inclusive Dates	Council Meeting	Legislation
Quarter One (BR1)	1 July 2020 to 30 September 2020	October 2020	<= 15 March & < BR2
Quarter Two (BR2)	1 July 2020 to 31 December 2020	February 2021	<= 15 March
Quarter Three (BR3)	1 July 2020 to 31 March 2021	May 2021	>= 16 March & > BR2

Contents of BR2 2020-21

This year's BR2 includes both the review of the operational as well as the capital budget, as well as the inclusion of the capital works-in-progress.

PROPOSAL

This review addresses the following aspects:

From a capital expenditure (Capex) perspective:

Item A: Carry over from FY2021
Item B: Carry over to FY2022
Item C: Revision of Capex

Item D: Wulanda Recreation and Convention Centre

From an operating income and expenditure (Opex) perspective:

Item E: Opex

The information that is presented in the following tables includes both the changes adopted in BR1 as well as the changes proposed for adoption in BR2. This allows a full comparison against the original budget. It does mean that some items in BR2 represent a correction to an item adopted in BR2. A previous BR1 number is included in the description for ease of reference.

Item A: Carry over from FY2021

This item shows no change compared to BR1. A total of \$1,856,000 was carried over from FY2020 into FY2021.

Item B: Carry over to FY2022

In BR1 Council included, outside the carryover from FY2019/20 into FY2020/21 – at an amount of \$1,855,997, a provisional amount of \$1,600,000 for undefined capex work, included in this year's capex budget, as an estimate for what will be carried over to the following year.

As part of BR2 we have identified a total of \$2,668,000 of capex for carry over into FY2022, some of which might need to be excluded on review, or possibly carried over to FY2023. BR2 therefore reduced the undefined amount of carry overs to FY2022 to nil. Additionally, the capex includes \$486,995 in relation to the replacement of light bulbs in streetlights (as well as the related revenue under operating income).

Item 20.4Item 10.1 Page 147

As part of the carry-over some items that were included in BR1 have been revised e.g. the Works Depot Offices (BR1-09) are included in FY2021 for 50% of this total rather than the full \$250,000, while \$125,000 is carried over to FY2022.

Item C: Revision of Capex

Item D: Wulanda Recreation and Convention Centre

In BR1 the capital expenditure on the Wulanda Recreation and Convention Centre (WRCC) had not been adjusted. In BR2 Council has adjusted the capital expenditure to the latest cash flow forecast for the Centre, which is \$3,522,926 less than the original budget. This is primarily a result of a later start of the construction due to COVID related negotiations that occurred after the original budget was set. The Proforma Statement of Cash Flows also shows the assumption that consequently Council's borrowings will be less by the same amount by the end of the 2021 financial year.

The Federal and State revenue has not been updated at this stage. Although changes in timing are expected, consistent with changes to the construction schedule compared to the timeline of the original budget for FY2020/21 (April 2020), the magnitude of this is not certain at this BR2 review point. This will be updated as part of BR3.

Items A and C have an impact on the overall capital works in progress overview, as per the below:

Item E. Operating expenditure and income & comprehensive income BR2

Table 3 provides detail of the income and expense adjustments as part of BR2.

The major BR2 revisions are:

- Development application (DA) income has been substantially increased compared to the
 original budget. The reasons for this are twofold: Firstly, the introduction of new development
 system / Planning Development and Infrastructure Act was originally expected early in the
 financial year, and the income projections were reduced accordingly. With the deferral of this
 to 19 March 2021 (per the latest advice) Council has continued to generate income from DAs.
 Secondly, with the Federal Government's HomeBuilder grant the demand for DAs has
 increased substantially, creating additional income.
- Salaries & wages are \$131,000 under budget for the year. The original budget included \$400,000 in salary savings that were anticipated to be result of delays in filling vacancies, and this full amount has been achieved with an additional \$131,000 anticipated by the end of the year.
- Expenditure on consultants & contractors as well as general operating expenses are well below original budget. Further review of the budgeted amounts for potential areas of saving identified further budget savings, e.g. in training & development, iServices (PABX) maintenance.
- Interest income was budgeted for at nil, however, due to some bonus payment from LGFA as well as later start of borrowings related to the WRCC Council reports \$24,000 interest income to date at BR2.
- In BR1 the Special Roads Funding for PineHall Avenue and O'Leary Road was included in the FY2021 budget this has been deferred till FY2022 in this BR2.
- Additional LED Lighting capital budget has been included as well as the same amount of funding within comprehensive income.

COUNCIL POLICY

ECONOMIC IMPLICATIONS

The improvement in Council's forecasted operating deficit, from Council's originally budgeted deficit of \$1,593,000 by \$363,000, as well as the reduced capital expenditure improves Council's cash flow position moving into FY2021/22. It also reduces the amount with which Council draws on the cumulative operating surplus balance (since 2012/13), and puts it into a better financial position than originally budgeted.

The increases in the carry over, from \$1,600,000 per BR1 to \$2,668,000 in BR2, populates a greater portion of the overall capex for the upcoming budget year FY2022 and allows for further re-evaluation of some of these projects' timing as part of BR3 FY2021 and as part of the Annual Business Plan and Budget process for FY2022.

Note 15 - Uniform presentation of finances

The following is a high level summary of both operating and capital investment activities of the Council prepared on a simplified Uniform Presentation Framework basis.

All Councils in South Australia have agreed to summarise annual budgets and long-term financial plans on the same basis.

The arrangements ensure that all Councils provide a common 'core' of financial information, which enables meaningful comparisons of each Council's finances.

REPORT RECOMMENDATION

1. That Audit Committee Report No. AR21/19525 titled 'Internal Controls - Proposed Budget process improvements' as presented on 12 April 2021 be noted.

TYPE OF REPORT

Corporate

BACKGROUND

The Internal Controls Framework incorporates a raft of measures taken by Council, including the annual budget process, internal financial controls, cumulative spend analysis and external audit. An update is provided on the relevant subjects in this area since last Audit Committee meeting.

Budget Process

Council employs multiple management tools as part of its internal control framework to manage Council income and expenditure. This framework is referred to as the Integrated Budget and Framework.

The Long Term Financial Plan (LTFP), the Asset Management Plan (AMP) and the Annual Business Plan & Budget Process (ABP&B) form the basis of this framework.

As part of its Terms of Reference, under 'Financial reporting and management' the Audit Committee shall "monitor the budgeting process and the process of review of actuals versus budget" (7.1.3) and "monitor that budgets are aligned to the Strategic Management Plans" (7.1.4).

While the budget process that is historically undertaken is efficient in producing an adopted budget, it doesn't address the accuracy and reliability of the budget that is adopted.

Current Budget Process

LTFP and AMP

The budget process starts with a review of the Long Term Financial Plan (LTFP) and the asset management plan. This task was undertaken in December 2020 and presented to the elected members in a workshop on the 20 January 2021 and adopted at the February Council meeting.

Detailed operational and capital budget

The finance team meets with the relevant managers during January and February to have input into their budgets, particularly any projects or programs that requires extra funding. The fees and charges are also discussed with managers during this time. This is then presented to the executive team for review and equitable adjustments are made to ensure the operational surplus or deficit matches the LTFP and the capital budget is in line with the AMP.

Member workshops

The second budget workshop with members was held on 24 March 2021 where the overview of the budget along with underlying assumptions was presented to the elected members. Following this the detailed budget was sent to elected members to review and feedback given on or before the third workshop on 14 April 2021.

The intention of the third workshop is to discuss any feedback from the detailed budget review and any issues resolved. If there are significant changes needed in the budget then a forth workshop is scheduled for 27 April 2021 to review the updated budget.

Adoption and community consultation

The budget is planned to be adopted on 18 May 2021 for community consultation from 19 May 2021 to 10 June 2021 and a final review of written submissions on 16 June 2021 through a special Council meeting. It is the intention to have a final special meeting of Council on the 29 June 2021 to adopt the annual business plan and budget.

PROPOSED FUTURE IMPROVEMENTS

While the current process fulfils the legislative requirements of the annual business plan and budget, it doesn't do enough to ensure the accuracy and reliability of the budget. To do this the following changes to the initial part of the process will be implemented to improve the ownership of the budget by managers and staff.

Connection to the Strategic Plan

Reaffirm with staff that all budget allocations have line of sight connection with Councils Strategic Plan. This connection is especially important in the budget bid and business case phase of the budget outlines below.

Budget Bids / Business Cases

Budget bids with supporting business cases would be required for:

- Additional staff Permanent and Temporary;
- New Projects;
- New major operational infrastructure (e.g business systems);
- · Additional funding for existing projects/recurrent operations; and
- Capital Works.

Business Cases MAY also be required for:

High Risk activities;

- · Previously funded projects / programs where change has occurred; and
- Any other reason given by a general manager or CEO.

Grant funding applications will also require a Business Case. The relationship between the grant funding and business case should be developed very early in the application process. This is particularly important in this environment of shared funding commitments.

Ownership of all budget lines

All employees at the levels of General Manager, Manager, Supervisor and Team Leader will be mentored and developed to have a clear understanding of the budget and finances. The is a key pillar in any leaders skill set along with People and Service Delivery.

The key areas are:

Revenue

- Fees and Charges;
- · Grants Recurrent;
- · Grants Project and Capital; and
- Other Revenue.

Budget Phasing and Forecasting

Budget phasing and forecasting throughout the year is a vital financial skill and an important tool in predicting cashflow and budget outcome. Phasing estimates when the budget allocation will be spent during the budget cycle. Forecasting provides an opportunity to estimate if the budget line will be under or overspent during the budget cycle.

Quarterly Review and Presentation

A structured approach to financial accountability through regular reporting will be implemented. Each manager will be required to complete the following:

- Budget preparation;
- Phasing of the budget;
- Forecasting;
- Present a budget review document (templated) to executive explaining under and over spending; and
- This information will then be utilised for the Budget Review Reports for Council.

CONCLUSION AND RECOMMENDATION

The Audit Committee is advised of, and is provided with the opportunity to provide feedback to Council and Council Administration, on the process and parameters of the FY2022 ABP&B and the proposed changes to the monitoring of the ABP&B through FY2022 which will lead into the FY2023 ABP&B process.
