BACKGROUND

The Junior Sports Assistance Fund was created for the express purpose of providing financial assistance to local junior sportspersons of Mount Gambier and District who have achieved as a minimum, selection in a formal State team and who compete at National sporting events (or equivalent) and who are a member of an Affiliated Sporting Organisation. Council joined with local sporting organisations to establish an ongoing pool of money for distribution to those juniors selected to represent the State or to represent Australia or equivalent.

The Fund assists those who already have ability and have shown natural skills, commitment and advancement to, as a minimum, selection to a State team.

Council oversees the administrative procedures to receive, consider and process funding applications and then distribute funds to the relevant Member Organisations to assist their junior.

PROPOSAL

To ensure all applications are processed in a fair manner and to ensure juniors are receiving the same amount with respect to the money outlaid the funding formula of 10% of the cost of the principal event is used to determine the contribution paid. There are minimal applications received that fall below the \$200 mark or above the \$500 mark. The terms of reference allow the Committee the discretion to review and amend the distribution policy annually.

The current funding formula is as follows:

1. Allocations are calculated based on 10% of the total cost of the principle event and capped at \$200 minimum and \$400 maximum.
2. That in the event of extenuating circumstances the determination will be at the discretion of the Committee.

TYPE OF REPORT

Other

BACKGROUND

The Junior Sports Assistance Funds affiliated sporting organisations contribute annually to the Fund based on a formula determined by the Committee annually and adopted by the affiliated sporting organisations at the Annual Meeting to apply for the ensuing financial year.

PROPOSAL

Member Organisation Contributions 2022/2023

The Secretary reported that the implications associated with the COVID-19 crisis have had an impact on our sporting community.

Whilst things have settled somewhat, the number of applications for funding for State and National events continue to be quite low.

The Junior Sports Assistance Fund does have the capacity to provide relief of certain financial obligations during this time to our sporting community. To assist our sporting members an option to waive member contributions for the 2022/2023 financial year totalling \$8,500 could assist Clubs to continue to regroup following a difficult few years. Alternatively a reduction of 50% of the 2022/2023 Member Contributions could be another option as the situation eases.

With this in mind, the Junior Sports Assistance Fund has three options for consideration.

Option 1:

The Member Contributions remain in place:

The Secretary report that Member Organisation contributions for the 2022/2023 year continue to be based on the same formula.

For the 2022/2023 financial year it is suggested that the financial contributions by Member Organisations be retained at:

- (i) minimum of \$400*
- (ii) maximum of \$800*

For the information of Members the last change to the financial contributions was made in 2014/2015 i.e.

	<u>2013/2014</u>	<u>2014/2015</u>
<i>Minimum</i>	\$350	\$400
<i>Maximum</i>	\$800	\$800

Option 2:

The Fund being in a very sound financial position suggests member contributions for the 2022/2023 financial year totalling approximately \$8,500 be waived to provide relief to Clubs allowing them to continue to rebuild following a difficult few years.

Option 3:

The Fund being in a very sound financial position offer a 50% reduction to member contributions calculated on the same funding formula as previous years providing member organisations the opportunity to continue to rebuild and lessen any financial burden.

Non Resident Applications

The Secretary reported that a previous amendment to the operating guidelines now allows persons not resident of the area of the two local Councils (but who are Members of a Member Organisation of the Fund) to now apply for financial assistance, the Committee wished to be informed of the number of applications received on an annual basis.

During 2021/22 there were no non-resident applications received.

Applications for Financial Assistance - Discretionary Assistance

- (a) that the Annual Meeting of Members held on 27th July, 2004 resolved:

“as a matter of Policy this Annual Meeting of Members hereby adopts and delegates the power to the Committee to make a discretionary donation to a local junior sportsperson when in the opinion of the Committee any such application deserves the Committee’s support based on special merit and circumstances and where the application is not able to be processed under the current procedures of the Fund.”

- (b) During the 2021/22 year there were no discretionary applications received.

Applications for Assistance Denied

The Secretary reported that during the 2021/2022 there were no applications for financial assistance denied.

Resigned (Suspended) and new Member Organisations

- (a) During 2021/2022 no Member Organisations were suspended from the Fund for non-payment of their Member Contribution.
- (b) During 2021/2022 no Members Organisations withdrew from the Fund.
- (c) During 202/2021 West Gambier Football/Netball Club was admitted as a new Member of the Junior Sports Assistance Fund.

Financial Position

With the number of applications for support to juniors, the Fund was able to cope with demand. The financial position is continually reviewed.

This 2022 Annual Meeting of Members will again be required to reflect upon the reforms necessary to stabilise and sustain the financial position of the Fund to achieve our aspirations in the 2022/2023 year.

Interest rates on our small investment continue to be at a low level.

Suggested 2022/2023 reforms can be summarised as:

- Reductions or increase in individual financial support to junior sportspersons (if the Committee deems necessary)

The Member Contributions to be determined via separate report as follows:

- *Sustain the current annual minimum payment of \$400 from Member Organisations but the Committee review the current annual maximum payment of \$800 from Member Organisations and determine ceiling limit.*

Individual Member contributions continue to be calculated to have regard to returns to that Member Organisation from the Fund based on applications granted and not on the number of juniors.

or

- The Secretary reported that the continuing implications associated with the COVID-19 crisis have had an immediate impact on our sporting community. To assist our sporting members an option to waive member contributions for the 2022/2023 financial year to assist Clubs rebuild may be a form of financial assistance offered to its Members.

The Fund is in a very sound financial position and the consideration to waive the member contributions of approximately \$8,500 to provide ongoing support to its sporting members is viable.

or

- An alternative option to assist members during the COVID-19 crisis is to reduce member contributions to the Junior Sports Assistance Fund for the 2022/2023 financial year by 50%.

Unpaid Membership 2021/2022

All Member contributions were waived for 2021/2022.

Financial Support to Juniors not able to attend the National Event due to Illness /Injury

From time to time it can occur that a junior who has received financial support from the Fund to attend a National event is not able to finally participate due to injury, illness.

Depending on the timing of the need to withdraw the family could have purchased equipment, special purpose clothing or paid other non-refundable costs.

In the past the Funds contribution to a junior who has been required to withdraw from a State Team has been refunded in full back to the Fund.

The question is whether some or all of the Funds contribution to a junior (via a Member Organisation) can be retained by the family to cover some of the non-refundable costs incurred by the family.

The City of Mount Gambier Junior Sports Assistance Fund Committee at its meeting held on 31st July, 2013 resolved:

- (a) *the report be received;*
- (b) “(i) *as a matter of Policy, should it occur that within the twenty one (21) days prior to the actual event date, a junior sportsperson(s) is forced through injury or illness to withdraw from the principal event for which funds have been provided to the junior sportsperson(s) (via their Member Organisation) by the Fund, then the Secretary may negotiate with the family for the family to retain some of the donation provided by the Fund should the family prove that they have incurred and paid non-refundable costs;*
- (ii) *in all other cases a full refund of the original donation should be returned to the fund by the recipient member organisation/family if a junior sportsperson(s) is not able to attend the principal event due to illness or injury.*
