REPORT RECOMMENDATION

1. That Council Report No. AR20/59450 titled 'Election of LGA President' as presented on 15 September 2020 be noted.
2. That Council endorse the following candidate for the 2020 election for Local Government Association President:
 - *enter candidate name*The ballot paper be marked, sealed and returned to the Returning Officer accordingly.

BACKGROUND

In July 2020 the Local Government Association sought nominees for the position of Local Government Association President. A report was presented to the 18 August 2020 Council meeting at which Council did not endorse any nominee(s) for this position.

DISCUSSION

Council has received correspondence from the Local Government Association advising that three nominations were received for the position of Local Government Association President and accordingly an election is required.

The three candidates, in order of the ballot draw, are:

- Mayor Karen Redman – Town of Gawler;
- Mayor Angela Evans – City of Charles Sturt; and
- Mayor Jan-Clair Wisdom – Adelaide Hills Council.

A Candidate Information Sheet for each of the three candidates can be found as **Attachment 1** for information.

The election process requires a resolution of Council to determine the candidate it wishes to elect, after which the ballot paper will be marked, sealed and returned to the Returning Officer.

The completed ballot must be received in hardcopy by no later than 5:00pm on 19 October 2020.

CONCLUSION

Having considered the candidates for the position of Local Government Association President Council may now consider its preferred candidate for election.

Mr Andrew Meddle
Chief Executive Officer
City of Mount Gambier
PO Box 56
Mount Gambier SA 5290

Dear Mr Meddle

Election of LGA President

On 20 July 2020, I wrote to councils calling for nominations for the position of LGA President. I wish to advise that at the close of nominations (5.00pm on 28 August 2020) I received nominations for the following three (3) eligible candidates (listed in the order of the ballot draw):

- Mayor Karen Redman
- Mayor Angela Evans
- Mayor Jan-Claire Wisdom

I hereby advise that in accordance with clause 29.4 of the LGA Constitution an election for the position of LGA President will take place.

I have attached a copy of each candidate's information together with a Ballot paper and voting envelopes for your council's completion in accordance with the instructions below. I require the ballot paper to be received by me in hard-copy no later than 5:00pm Monday 19 October 2020.

Voting Instructions

Pursuant to clause 29 of the LGA Constitution, the casting of the vote by your council must be conducted as follows:

- each Member council shall determine by resolution the candidate it wishes to elect;
- the Delegate of a Member council or in the Delegate's absence, the chair of the meeting for that Member shall mark the ballot paper with an "X" next to the candidate that the Member council wishes elected and seal the ballot paper in the envelope marked "Ballot Paper" and then place this envelope inside the envelope marked "Returning Officer". Before sealing the second envelope marked "Returning Officer" the Delegate must indicate the Member council's name on the inside flap of the envelope. The second envelope may then be sealed and delivered to the Returning Officer;

Local Government Association
of South Australia

The voice of local government.

- on receipt of the envelopes the Returning Officer must:
 - open the outer envelope addressed to the "Returning Officer" and record the name of the Member council which appears on the inside flap of the envelope on the roll of Member's council eligible to vote; and
 - place the envelope marked "Ballot Paper" unopened into the ballot box;
- the Returning Officer shall nominate the date, time and place for the counting of votes and shall invite each candidate and a person nominated as the candidate's scrutineer to be present;
- at the counting of the votes the Returning Officer shall produce the unopened envelopes marked "Ballot Paper" and if satisfied that all votes are valid, count the number of votes received by each candidate;
- the candidate with the most votes shall be deemed elected and the Returning Officer shall declare the candidate elected at the Annual General Meeting; and
- in the case of candidates receiving the same number of votes, the Returning Officer shall draw lots at the counting of the votes and the lot drawn will be the candidate elected.

I am the Returning Officer for this election and I may appoint a Deputy Returning Officer to perform any of the powers, functions or duties described above.

Due to ongoing uncertainty regarding COVID-19 health and safety considerations that may be relevant in October, the counting of votes will take place via Zoom on Tuesday 20 October 2020 commencing at 9:00am.

The successful candidate will take office from the conclusion of the LGA's 2020 Annual General Meeting for a term ending at the conclusion of the 2022 LGA Annual General Meeting.

- *A strong background in health and engaged at senior level on clinical governance issues ensures I will bring a high degree of ethical decision making to the Presidency*
- *Our sector is undergoing great change and requires a fresh yet experienced approach as we work through the significant reforms, not least of which is the local government reform bill currently before the Parliament.*
- *Gawler is steeped in history, so it's no surprise that planning reform and heritage has been a hot topic. My community supported me as I advocated for change to the planning reforms that are sweeping the state. Some of these reforms are needed however concern around good design, neighbourhood character and appropriate heritage protection remains.*
- *I have led GAROC as we supported advocacy on heritage matters and others such as infill development which is an emerging problem in metropolitan Adelaide. Leading this highly skilled committee of the LGA has been a privilege with more change to come as regions are formed across Adelaide.*
- *Most recently, with the COVID-19 pandemic hitting our communities, GAROC supported a series of webinars to assist local government as we navigate this new world and its impacts on our economies and our communities. As Chair I have been involved in each session, all of which have been extremely well received drawing interest from across South Australia, generating some fantastic ideas and resources we all can use going forward.*
- *As a Board Director of the LGA and in collaboration with President Mayor Sam Telfer and the secretariat, it's been a busy time as we navigate change to the LGA's constitution, a new Board structure, and a vision of sensible advocacy and support for our local government sector.*
- *The Australian Local Government Association is also facing a changing landscape with the impact of COVID-19, and the need for intelligent, effective leadership at Board level to support our national President and ensure local government has a voice that is heard by our federal decision makers.*
- *Being an active contributor to my community, the LGA, and ALGA has allowed me to develop strong advocacy, experience and knowledge relevant to local government. My background in health is a strength, with critical thinking, empathy, balance, the ability to collaborate and work with others, and a fresh, pragmatic style, central to my leadership.*
- *Over the next two years we will see a changing landscape for our communities across South Australia. A strong yet caring local government sector will be critical as we navigate this new way of living.*

Local Government Policy Views & Interests	<p>Key areas of interest include: to ensure the LGASA continues to connect with Councils, both regional and metro; to support their drive to innovate and improve service delivery through economic and community development, the natural and built environment; and supporting the LGASA to continue to develop and strengthen our collective ability to achieve community, professional and political excellence.</p>

The voice of local government.

	<p>I will provide a non-partisan voice for local government at the state and federal level on matters such as funding, the environment and climate change and economic recovery. I will work with the Past President, Sam Telfer and the Secretariat to ensure continuity of leadership and collaboration into the future.</p> <p>Whilst the LGASA's task is to identify issues of state-wide concern to local government and to arrive at a consensus view as to local government's position on the issues identified, I will ensure there is support and collaboration between rural and metropolitan Councils, partnering and advocating with the ALGA and other professional associations to enhance relationships and strengthen our advocacy to achieve the best outcome for the sector.</p> <p>I am passionate about identifying new opportunities within the COVID environment, focusing on how the sector can provide leadership, organisation, delivery and the promotion of SA economic development through the current and future challenges of the pandemic.</p>
<p>Other information</p>	<p>I have been the City of Charles Sturt Mayor since elected in the November 2014 Local Government Elections. Throughout my terms as Mayor, I have led a cohesive, collaborative and collegiate Council and has overseen the redevelopment of major Charles Sturt precincts, successful improvements within communities and strategically positioned the City's financial approach for future generations. I work collaboratively with Mayors across the Western suburbs with a recent example being the joint Materials Recovery Facility developed with the City of Port Adelaide Enfield to process councils' recyclables. I am a passionate driver behind Charles Sturt's important community connections work, and place making initiatives aimed at supporting grassroots communities to be innovative and collaborative.</p> <p>In 2015 and 2016, I was involved in leading economic missions to China, where I guided a delegate of aged care providers from the Charles Sturt area and forged official trade partnerships between the Shandong Province in Yantai and the City of Charles Sturt.</p> <p>I was previously the Deputy Mayor of Charles Sturt in 2010/11 and 2013/14, as well as Ward Councillor for the Woodville West Ward from 2006 to 2014. My involvement with Council, Community and Local Government committees during my time on Council is extensive and includes participation in the Gender Matters Panel, the Greater Adelaide Region Organisation of Councils, Central Adelaide Waste and Recycling Authority and the Climate Emergency Australia Strategic Advisory Group.</p> <p>The term ahead presents a range of challenges for our sector that we will need to consider and address in a way that reflects the best interests of our communities and our sector. I am determined to achieve this in a way that enhances our brand and our reputation as a constructive partner.</p> <p>I understand that issues such as the Planning Act and the Local Government Act reforms are not new to the sector, but will require our continued focus</p>

	<p>and voice. The sector's response to climate change through the very tangible local government responsibilities of waste management and infrastructure delivery positions us to be more than a vocal contributor. Additionally, my awareness of COVID and its continued effect on our community's health and connectedness is strong, and I believe this is an area where local government again plays a critical role. My belief is that the economic impacts and the role we must play – both directly and through our advocacy to support the financial and economic recovery will be vital.</p> <p>I am a leader committed to providing responsible governance in a framework of strategic planning, enhancing relationships and fostering community connections. I have led a progressive Council that actively attracts positive and constructive connections, and that does not attract negative criticism. I, with the City of Charles Sturt, make every effort to enhance the brand and reputation of the sector.</p> <p>My leadership style purposefully empowers and encourages respectful, collaborative and solution focused behaviours in all interactions, from the formal through to the informal. I have the ability to keep the focus on the pertinent issues at hand and debate matters in a respectful manner which is constructive and effective in bringing about the best outcomes for the community in a way that is transparent, timely and in line with strategic plans. I am committed to being a hardworking, available and inclusive President.</p>

The recent Cudlee Creek Bushfire that raged through our landscape burnt through 30% of my council district causing widespread damage and leaving physical and mental scarring in its wake. The response, relief and ongoing recovery from this event have honed my skills of empathy, communication and negotiation as well the ability to exercise diplomacy and play hardball at times when chasing down recovery funding promises. I've learnt to be a steady listener and key spokesperson in a crisis, and how to handle media liaison from many directions.</p>

Local Government Association
of South Australia

The voice of local government.

Locally I've driven initiatives and championed not only my own fire impacted district but all SA fire-affected communities, in particular when I took an economic recovery plan to Canberra in January this year. I am still chasing down bushfire funding promises from State and Federal sources even while COVID has now muddied the funding pipeline.

I have the insight and understanding of serving on the current LGA Board and GAROC for the past two years as well as being on the Board of the Southern and Hills Local Government Association (SHLGA). For those of you in rural South Australia I have had the good fortune to visit every community in the State that has a library as part of my eight year tenure on the State Libraries Board, giving me some insight into the heartbeat of rural communities. These combined experiences mean I bring a unique value proposition to the President's role that should serve both our metro and rural communities and the sector well at a time when community capacity building, resilience, economic development, climate change mitigation and environmental management are critical for us to both survive and thrive our immediate and longer term future.

As a sector we must prepare for future disruptions while continuing to deliver quality services. We need to be both 'Council Ready' and 'Community Ready'. There are new jobs in waste recovery, tourism, renewables and building community infrastructure. Councils are influential in stimulating community and economic growth and we can change behaviours through education and sustainable initiatives. We can respond to future natural disasters and pandemics with ingenuity, pragmatism and passion if we visualise and grasp these new opportunities while never forgetting that local communities are at the heart of everything we do.

The LGA's mission is to Advocate for greater influence in matters affecting our communities; to assist members build capacity and increase sustainability; and to advance the sector through best practice and continuous improvement.

The LGA continues to have a critical role voicing the hopes and fears of Local Government and advocating for progress and betterment of communities throughout the sector, the state and the nation. Our voices need to be heard and respected.

I seek your support to spearhead the LGA SA and deliver a brighter future for us all.

23.2 ELECTION OF LGFA REPRESENTATIVE MEMBERS – REPORT NO. AR20/59804

Committee:	Council
Meeting Date:	15 September 2020
Report No.:	AR20/59804
CM9 Reference:	AF19/416
Author:	Michael McCarthy, Manager Executive Administration
Authoriser:	Andrew Meddle, Chief Executive Officer
Summary:	This report is presented for Council to determine its preferred candidates for the position of Local Government Finance Authority Representative Members for the purpose of casting a vote in an election process.
Strategic Plan Reference:	Goal 1: Our People Goal 2: Our Location Goal 3: Our Diverse Economy Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage Goal 5: Our Commitment

REPORT RECOMMENDATION

1. That Council Report No. AR20/59804 titled 'Election of LGFA Representative Members' as presented on 15 September 2020 be noted.
2. That Council endorse the following two candidates for the 2020 election of Local Government Finance Authority Representative Members:
 - Annette Martin
 - Michael Sedgmanand that the ballot paper be marked, sealed and returned to the Returning Officer accordingly.

BACKGROUND

In July 2020 nominations were called by Local Government Association Circular for the positions of Local Government Finance Authority Representative Members. Nine nominations were received necessitating an election process to be conducted. The currently retiring members, who are eligible for re-election, are Annette Martin and Michael Sedgman.

DISCUSSION

Council has received correspondence from the Local Government Finance Authority advising of the election process for two (2) Representative Members.

The nine candidates, in no particular order, are:

- Councillor Mary Couros – City of Adelaide;
- Councillor Peter Field – City of Tea Tree Gully; and
- Councillor Karen Hockley – City of Mitcham; and
- Charles Mansueto, General Manager Business Excellence – City of Salisbury; and
- Annette Martin, Manager Financial Services – City of Charles Sturt; and
- Michael Sedgman, Chief Executive Officer – Rural City of Murray Bridge; and
- Councillor John Smedley – City of Holdfast Bay; and
- Councillor Sotirios Stuppos – Whyalla City Council; and
- Councillor Michael Rabbitt – Corporation of the City of Unley.

Candidate details for each of the nine candidates can be found as **Attachment 1** for information.

The election process requires a resolution of Council to determine the candidates (being no more than two) it wishes to elect, after which the ballot paper will be marked, sealed and returned to the Returning Officer.

The completed ballot must be received in hardcopy by no later than 5:00pm on 16 October 2020.

Council has also received advice of the Local Government Finance Authority Annual General Meeting to be held on at the Woodville Town Hall on Thursday 29 October 2020 at 10:40am. A single Council representative may attend and will be required to 'sign in' for voting purposes.

Voting privileges for such purposes are restricted to Council's authorised representatives being the Mayor, Deputy Mayor, Chief Executive Officer and Acting Chief Executive Officer in accordance with Council resolution dated 22 November 2018.

CONCLUSION

Having considered the candidates for the position of Local Government Finance Authority Representative Members may now consider preferred candidates for election. Based, upon the information provided and sectoral knowledge, it is recommended that Annette Martin and Michael Sedgman receive the Council's vote.

TO: Chief Executive Officer

RE: Elections for the positions of Representative Members of the Board of Trustees

Our circular of 7 July 2020 called for nominations to fill the two representative board member positions (provided by Section 7(1)(a) of the Local Government Finance Authority Act 1983) currently held by Ms Annette Martin (City of Charles Sturt) and by Mr Michael Sedgman (The Rural City of Murray Bridge).

Nine nominations have been received for the two positions and, as previously indicated in the abovementioned circular, the election will be conducted by postal ballot.

Enclosed please find details supplied by each candidate to assist councils in determining the candidates for whom they wish to vote. If councils wish to ascertain further details, they may contact the individual candidates direct.

In order to comply with the Rules of the Authority, the casting of the vote by your council must be conducted as follows:-

1. The voting must be on the enclosed ballot paper which has all the candidates listed in alphabetical order together with the closing date for the election.
2. The council must by Resolution determine which candidates (being not more than two) they wish to elect.
3. The council's representative to the AGM of the Local Government Finance Authority of South Australia (or in his absence the councillor chairing the council meeting) shall at the council meeting in his own handwriting mark the ballot paper with an "x" next to the two candidates whom the council wishes elected. Please do not type in the "x" after the meeting or mark the ballot paper in any other way.
4. (a) The ballot paper should then be inserted in the attached white small envelope addressed to the Returning Officer which is marked "Confidential Ballot Paper".
4. (b) The "Confidential Ballot Paper" envelope should then be placed in the middle sized envelope addressed to the Returning Officer and the council's name is to be recorded only on this particular envelope. It will be noted that the signature of the appointed AGM delegate should be added (if the delegate is absent the signature of the Chairman of the council meeting).
4. (c) Finally, the middle sized envelope is to be returned to the Chief Executive Officer, Local Government Finance Authority of South Australia, Suite 1205, 147 Pirie Street, Adelaide, 5000, in the self addressed large envelope which is included for that purpose.

5. All votes must be received by the Returning Officer by 5.00 pm on **Friday 16 October 2020**.
6. Only use the ballot paper enclosed with the signature of G Hollitt on the reverse, and if an error is made, return the spoilt ballot paper to this office and another will be returned to you.

If you have any further queries on the matter, please contact the undersigned, or Geoff Hollitt at this office.

Kindly arrange for this circular to be included on the council's next agenda for the information of the elected members.

23.3 UPDATE ON COUNCIL ACTIONS AS A RESULT OF DECISIONS RELATING TO COVID-19 – REPORT NO. AR20/59827

Committee:	Council
Meeting Date:	15 September 2020
Report No.:	AR20/59827
CM9 Reference:	AF19/416
Author:	Andrew Meddle, Chief Executive Officer
Authoriser:	Andrew Meddle, Chief Executive Officer
Summary:	A report providing an update of the actions agreed by Council and their implementation and future steps, as a result of the COVID-19 pandemic.
Community Plan Reference:	Goal 1: Our People Goal 2: Our Location Goal 3: Our Diverse Economy Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage

REPORT RECOMMENDATION

1. That Council Report No. AR20/59827 titled 'Update on Council Actions as a result of decisions relating to COVID-19' as presented on 15 September 2020 be noted.
2. That Council support the increased, temporary use of delegations to ensure business continuity, including cross-council delegations and delegations to staff to support the role of Environmental Health Officers under the Public Health Act, until the current public health emergency decision is rescinded by the State Government.

BACKGROUND

Council has made numerous decisions to support our community during the COVID-19 pandemic, as was outlined in the summary report provided on 16th June 2020. The Council's response has been three-pronged under the headings of *Our Community*, *Our Economy* and *Our Recovery*. This report sets out the decisions and their implementation. Where the implementation is proposed to be changed, this is clarified in the next steps section. This is necessary as events continue to unfold and to overtake actions put in place. The principle of *Our City. Our Response* has been clear to support state and federal government agencies as requested and not to supplicate their activities.

This report does not deal with operational changes to Council and Committee meetings.

Council made many decisions with regard to COVID-19 and an update is provided alongside in **Table 1**:

ITEM	UPDATE
<ul style="list-style-type: none"> ➤ One off \$85 fee for wheelie bin, caddy, biodegradable liners and information pack. ➤ Estimated adverse financial impact of approximately \$520,000, offset by increased supply to Bio Gro and reduced supply to landfill. 	

Further to the above, at the Council meeting on 31st March 2020, it was resolved with regards to SA Health delegations that:

“...Council support the increased, temporary use of delegations to ensure business continuity, including cross-council delegations and delegations to staff to support the role of Environmental Health Officers under the Public Health Act, to be reviewed in 6 months.”

This is currently working well with support both across the region and in terms of working with SA Health. It is proposed that this be continued until the end of the public health emergency. The six months are now close to passing and it is proposed to extend this arrangement until the State Government rescind the public health emergency declaration.

CONCLUSION

The decisions taken and implemented over the last six months or so have positioned the city strongly for *Our Recovery*. Although there is much more to happen in the pandemic space, the lessons learned are capable to replication or transfer. The delegations referred to can now be reasonably extended until the end of the current public health emergency.

26 CONFIDENTIAL ITEMS OF COMMITTEES

26.1 CONFIDENTIAL ITEMS OF THE ECONOMIC AND ENVIRONMENT COMMITTEE HELD ON 7 SEPTEMBER 2020

26.2 MOUNT GAMBIER PRIVATE HOSPITAL FEASIBILITY STUDY – REPORT NO. AR20/56996

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except Mayor L Martin, Councillors S Meziniec, M Bruins, C Greco, B Hood, P Jenner, F Morello and S Perryman and Council Officers A Meddle, B Cernovskis, J Nagy, N Serle, M McCarthy, S McLean, A Watson and E Solly be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 26.2 AR20/56996 Mount Gambier Private Hospital Feasibility Study.

The Council is satisfied that, pursuant to section 90(3) (b), (d) and (g) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or
 - to prejudice the commercial position of the Council

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information, or
 - to confer a commercial advantage on a third party

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- information concerning matters that must be considered in confidence in order to ensure that the Council does not:
 - breach any law, order or direction of a court or tribunal constituted by law,
 - breach any duty of confidence, or
 - breach any other legal obligation or duty

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the information to be considered includes third party commercial information provided to Council in-confidence which, if released,

could confer an advantage or prejudice the commercial position of a third party and breach a duty of confidence.

CONSIDERATION FOR KEEPING ITEMS CONFIDENTIAL

1. In accordance with Sections 91(7) and 91(9) of the *Local Government Act 1999* the Council orders that the report 26.2 AR20/56996 Mount Gambier Private Hospital Feasibility Study and its attachments, the discussion and the resolution/s and minutes arising from the report, having been considered by the Council in confidence under Section 90(2) & (3) (a) be kept confidential and not available for public inspection until Same as Report.
2. Further that Council delegates the power to review, revoke, but extend of the confidential order to the Chief Executive Officer in accordance with the provisions of Section 91(9)(c) of the *Local Government Act 1999*.

26.3 VIABILITY OF ESTABLISHING MATERIAL RECOVERY FACILITIES IN THE LIMESTONE COAST REGION – REPORT NO. AR20/57874

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except Mayor L Martin, Councillors S Meziniec, M Bruins, C Greco, B Hood, P Jenner, F Morello and S Perryman and Council Officers A Meddle, B Cernovskis, J Nagy, N Serle, M McCarthy, S McLean, A Watson and E Solly be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 26.3 AR20/57874 Viability of Establishing Material Recovery Facilities in the Limestone Coast Region.

The Council is satisfied that, pursuant to section 90(3) (a), (b), (d), (g) and (j) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead)
- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or
 - to prejudice the commercial position of the Council

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information, or
 - to confer a commercial advantage on a third party

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

- information concerning matters that must be considered in confidence in order to ensure that the Council does not:
 - breach any law, order or direction of a court or tribunal constituted by law,
 - breach any duty of confidence, or
 - breach any other legal obligation or duty
- information the disclosure of which would divulge information provided on a confidential basis by or to:
 - a Minister of the Crown, or
 - another Public Authority or official (not being an employee or a person engaged by the Council) that would on balance be contrary to the public interest

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the information to be considered includes third party commercial information provided to Council in-confidence, including by a public official, the release of which could reasonably be considered to confer an advantage on a third party and/or prejudice the commercial position of Council or the parties that provided the information and would constitute a breach of a duty of confidence.

The appropriate non-disclosure is considered to outweigh the public interest in full-disclosure on the basis that the matter relates to the provision of necessary waste management services and the release of information could reasonably be expected to confer an unreasonable advantage or detriment to private third parties, and could prejudice the commercial position of Council in relation to these matters on behalf of the community.

CONSIDERATION FOR KEEPING ITEMS CONFIDENTIAL

1. In accordance with Sections 91(7) and 91(9) of the *Local Government Act 1999* the Council orders that the report 26.3 AR20/57874 Viability of Establishing Material Recovery Facilities in the Limestone Coast Region and its attachments, the discussion and the resolution/s and minutes arising from the report, having been considered by the Council in confidence under Section 90(2) & (3) (a) be kept confidential and not available for public inspection until Same as Report.
2. Further that Council delegates the power to review, revoke, but extend of the confidential order to the Chief Executive Officer in accordance with the provisions of Section 91(9)(c) of the *Local Government Act 1999*.

27.1 BLUE LAKE GOLF CLUB - QUARTERLY KPI REPORT TO 31 MARCH 2020 – REPORT NO. AR20/39363

RESOLUTION 2020/272

Moved: Cr Christian Greco

Seconded: Cr Sonya Meziniec

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except Mayor L Martin, Councillors S Meziniec, M Bruins, C Greco, B Hood, P Jenner and F Morello and Council Officers B Cernovskis, J Nagy, N Serle, A Watson, M McCarthy and M Telford be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 27.1 AR20/39363 Blue Lake Golf Club - Quarterly KPI Report to 31 March 2020.

The Council is satisfied that, pursuant to section 90(3) (d) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information, or
 - to confer a commercial advantage on a third party

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the report attachment includes commercial information relating to the operations of the Blue Lake Golf Club the premature disclosure of which could reasonably be expected to confer advantage on a 3rd party and prejudice the commercial position of the Blue Lake Golf Club.

The public interest in the disclosure of this information is considered to be outweighed by the public benefit provided by the maintenance and management of the public land on which the golf course is located which is reliant on the continued successful operations of the Blue Lake Golf Club.

8.1 MOUNT GAMBIER PRIVATE HOSPITAL FEASIBILITY STUDY – REPORT NO. AR20/56996

COMMITTEE RESOLUTION

Moved: Cr Max Bruins

Seconded: Cr Ben Hood

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Economic and Environment Committee orders that all members of the public, except Mayor L Martin, Councillors C Greco, M Bruins, B Hood, P Jenner, S Meziniec and F Morello and Council Officers A Meddle, B Cernovskis, J Nagy, N Serle, M McCarthy and M Telford be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 8.1 AR20/56996 Mount Gambier Private Hospital Feasibility Study.

The Economic and Environment Committee is satisfied that, pursuant to section 90(3) (b), (d) and (g) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or
 - to prejudice the commercial position of the Council
- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:
 - to prejudice the commercial position of the person who supplied the information, or
 - to confer a commercial advantage on a third party
- information concerning matters that must be considered in confidence in order to ensure that the Council does not:
 - breach any law, order or direction of a court or tribunal constituted by law,
 - breach any duty of confidence, or
 - breach any other legal obligation or duty

The Economic and Environment Committee is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the information to be considered includes third party commercial information provided to Council in confidence which, if released, could confer an advantage or prejudice the commercial position of a third party and breach a duty of confidence.

8.2 VIABILITY OF ESTABLISHING MATERIAL RECOVERY FACILITIES IN THE LIMESTONE COAST REGION – REPORT NO. AR20/57874**COMMITTEE RESOLUTION**

Moved: Cr Christian Greco
Seconded: Cr Max Bruins

CONSIDERATION FOR EXCLUSION OF THE PUBLIC

Pursuant to section 90(2) of the *Local Government Act 1999* the Economic and Environment Committee orders that all members of the public, except Mayor L Martin, Councillors C Greco, M Bruins, B Hood, P Jenner, S Meziniec and F Morello and Council Officers A Meddle, B Cernovskis, J Nagy, N Serle, M McCarthy and M Telford be excluded from attendance at the meeting for the receipt, discussion and consideration in confidence of Agenda Item 8.2 AR20/57874 Viability of Establishing Material Recovery Facilities in the Limestone Coast Region.

The Economic and Environment Committee is satisfied that, pursuant to section 90(3) (a), (b), (d), (g) and (j) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is:

- information the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead)
- information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is
 - conducting business; or
 - proposing to conduct business; or
 - to prejudice the commercial position of the Council
- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected:

- to prejudice the commercial position of the person who supplied the information, or
- to confer a commercial advantage on a third party
- information concerning matters that must be considered in confidence in order to ensure that the Council does not:
 - breach any duty of confidence
- information the disclosure of which would divulge information provided on a confidential basis by or to:
 - another Public Authority or official (not being an employee or a person engaged by the Council) that would on balance be contrary to the public interest

The Economic and Environment Committee is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because the information to be considered includes third party commercial information provided to Council in confidence, including by a public official, the release of which could reasonably be considered to confer an advantage on a third party and/or prejudice the commercial position of Council or the parties that provided the information and would constitute a breach of a duty of confidence.

The appropriate non-disclosure is considered to outweigh the public interest in full-disclosure on the basis that the matter relates to the provision of necessary waste management services and the release of information could reasonably be expected to confer an unreasonable advantage or detriment to private third parties, and could prejudice the commercial position of Council in relation to these matters on behalf of the community.

REPORT RECOMMENDATION

1. That Economic and Environment Committee Report No. AR19/36020 titled 'Strategic Property Management - Sport, Recreation and Open Space Plan and precinct Master Planning' as presented on 07 September 2020 be noted.
2. That Council commit to a strategic approach to property management issues, guided by a Sport, Recreation and Open Space Plan and associated site/precinct/property category master plans including Tourism Assets Master Plan and Blue Lake Sports Park Master Plan.

BACKGROUND

At an Elected Member briefing held on 8 July 2019 Council received information on strategic property matters that included:

- tenancy issues associated with the Community and Recreation Hub; and
- a strategic approach to future property management, including:
 - coordinated and prioritised approach tenant, user and community engagement;
 - review of Community Land Management Plans for individual sites, precincts and categories of land;
 - citywide (and location specific) strategy, vision, plan to guide leasing, licensing, other development, maintenance and use of Council land (e.g. Recreation / Open Space Plan); and
 - Master Planning for specific locations and property categories.

The strategic approach to future property management anticipated a further report to consider the above listed (and other) items in a holistic manner, with a view to developing a strategic position and direction, rather than a piecemeal approach to matters as and when they arise.

DISCUSSION

The preparation of a strategic property management report has been somewhat 'overtaken' by Council's more recent support for a Tourism Assets Master Plan, Blue Lake Sports Park Master Plan, Crater Lakes Master Plan and a Sport, Recreation and Open Space Strategy, all proposed to be undertaken and endorsed in the 2020/2021 financial year.

The Council's property holdings can be simply categorised, as follows:

- Council occupied 'operational' properties, such as Civic Centre, Library, Depot, etc.;
- Leased / Licensed properties, including:
 - Sporting tenancies (for exclusive or shared use of grounds and/or buildings);
 - Community tenancies (for exclusive or shared use of buildings);
 - Tourism tenancies – semi-commercial; and
 - Commercial tenancies
- Active and other high profile Reserves, such as Cave Garden, Crater Lakes Precinct etc.;
- Passive and other Neighbourhood Reserves;
- Stormwater/Utility Reserves; and
- Roads and Road Reserves.

Master Plans for specific property categories or precincts are considered to be a sub-set of an overall property strategy, with other relevant formal and administrative documents that address legislative and other policy and procedural matters also relevant in guiding the management of Council land holdings generally or for specific sites/precincts, such as for example:

- Community Land Management Plans;
- By-Laws (Permits & Penalties & Local Government Land);
- Community Lease Rental and Maintenance Re-imburement Policy;
- Lease/Licence terms and conditions; and
- Event/Casual Hire Permits.

Such documents should both guide, and be guided by the Council's strategic vision for the management of its property holdings and should be developed and reviewed accordingly.

The Council's current approach to property management is relatively passive and reactionary, maintaining a *status quo* with third party tenants managing sporting and community facilities for their own purpose and benefit, whilst responding in an *ad hoc* or piecemeal manner to opportunities that arise, but with limited consideration of such matters in a broad strategic context.

Whilst this can result in good outcomes when viewed in isolation, such an unplanned approach is ineffective in identifying, prioritising and achieving broader strategic property outcomes across the Council's extensive property holdings, and may fail to adequately address higher priority needs.

Moving forward, a more robust approach would see priorities pursued based on condition ratings and objective based opportunities, supported by enablers such as budget allocations, stakeholder motivation and targeted grant programs.

The attached diagrams are provided to assist Members in conceptualising the components of a property strategy, using the recently discussed Sport, Recreation and Open Space Plan, Blue Lake Sports Park Master Plan and Tourism Assets Master Plan, as well as the aforementioned documents and property categories as examples.

The 'umbrella' diagram represents the Council's property portfolio, separated into categories, with varying management components and identified priorities and objectives within each.

With the current approach isolated aspects within each category may be addressed in isolation without full consideration to external and influencing factors, thus providing an *ad hoc* approach to property management.

The development and implementation of a property strategy is intended to provide a more planned approach to property management moving forward, with the steps toward this including the development of a Sport, Recreation and Open Space Plan as an overarching ('Umbrella') strategy, supported by site, precinct and category Master Plans, and further supported by various operational (including legislative) documentation as relevant.

Whilst in an ideal world the above steps might be progressed in order with perfect knowledge of each step, in reality Council continues to manage its property portfolio whilst dealing with opportunities and issues as they arise, whilst now giving consideration to our long term objectives.

Accordingly, Blue Lake Sports Park and Tourism Assets Master Plans may be commenced as planned, but execution will be parallel with a Sport, Recreation and Open Space Plan to ensure consistency of approach and outcomes.

CONCLUSION

This report recommends that in lieu of an *ad hoc* and unplanned approach to property management, a strategic property management approach be adopted including support for a Sport, Recreation and Open Space Plan and property precinct/category master planning and associated strategic decision making processes.

15.3 MCDONALD PARK TOILET FACILITIES CURRENT CONDITIONS AND PROPOSED NEW TOILET BLOCK COSTING. – REPORT NO. AR20/55119

Committee:	Economic and Environment Committee
Meeting Date:	7 September 2020
Report No.:	AR20/55119
CM9 Reference:	AF19/412
Author:	Abdullah Mahmud, Manager of Operations & Engineering
Authoriser:	Nick Serle, General Manager City Infrastructure
Summary:	This report provides an update on the condition of the public toilet facilities at McDonald Park and the estimated cost to construct a new public toilet facility and remove two old public toilet blocks at McDonald Park
Community Plan Reference:	Goal 1: Our People Goal 2: Our Location Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage

REPORT RECOMMENDATION

1. That Economic and Environment Committee Report No. AR20/55119 titled 'McDonald Park toilet facilities current conditions and proposed new toilet block costing.' as presented on 07 September 2020 be noted.
2. Council resolves to propose a provisional budget allocation of \$150,000 for the construction of a new toilet block and removal of two old toilet blocks at McDonald Park in 2021/2022.

BACKGROUND

There are three standalone toilet blocks of concrete besser block construction typical of the public toilet design of that era at McDonald Park. One toilet block is situated immediately south of the netball courts, one is located uphill to the north of the club rooms and the third toilet block is near the old tennis courts which has been locked and out of service for many years. Council has received several requests to upgrade the toilet block adjacent the netball courts at McDonald Park. As per the lease agreement East Gambier Sportsmen's Club are responsible for maintaining the buildings onsite including the toilets.

DISCUSSION

Due to the requests to upgrade the toilet block adjacent the netball courts Council Officers have consulted with the East Gambier Sportsmen's Club representatives to find the best way forward to improve the toilet conditions. Investigations of the condition of the existing sewerage systems and building has identified the most appropriate solution would be to build a new toilet block incorporating male/female and accessible toilet facilities complying with the requirements of current building code of Australia and demolish the two existing toilet blocks near the netball courts and old tennis courts.

A draft layout for the toilet building block has been prepared by council considering the orientation and the location to suit both the male and female patrons. An estimate of the cost to construct the proposed toilet layout and demolish the existing two toilets is \$150,000.00.

Discussion with East Gambier Sportsmen's Club representatives has identified that significant plumbing work is required to eliminate odour issues in the toilets within the club room building. The cost of this work has not been estimated or included in this report.

ECONOMIC IMPLICATIONS

If Council chooses to progress the construction of the new toilet block and remove two of the existing toilet blocks a budget commitment of \$150,000.00 will be required. This is not recommended in the current financial year given the existing budget deficit and significant capital expenditure already committed to projects from the Council's Asset Management Plans.

SOCIAL IMPLICATIONS

The community has been requesting upgraded facilities for years and construction of a new, modern and compliant toilet facility will have a positive social benefit. The new facility will provide a more positive experience for those who visit McDonald Park and will leave a positive impression of the City for those who use the facilities.

CULTURAL IMPLICATIONS

The proposed new toilet block will have a unisex accessible toilet with compliant ramp access to the toilet. This will result in inclusiveness and improved accessibility for patrons coming to the oval

CONCLUSION

Council may choose to make a provisional budget allocation of \$150,000.00 for the installation of a new toilet block and removal of two old toilet blocks at McDonald Park oval, noting Council's lease with the East Gambier Sportsmen's Club requires the Club to maintain all buildings on the site.

15.4 CENTRESTAGE AND REIDY PARK CENTRE CONSTITUTIONS – REPORT NO. AR20/56190

Committee:	Economic and Environment Committee
Meeting Date:	7 September 2020
Report No.:	AR20/56190
CM9 Reference:	AF19/412
Author:	Michael McCarthy, Manager Executive Administration
Authoriser:	Andrew Meddle, Chief Executive Officer
Summary:	This report presents and recommends to defer a review of the Constitutions and operating models for Centrestage and the Reidy Park Centre.
Community Plan Reference:	Goal 1: Our People Goal 2: Our Location Goal 3: Our Diverse Economy Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage

REPORT RECOMMENDATION

1. That Economic and Environment Committee Report No. AR20/56190 titled 'CentreStage and Reidy Park Centre Constitutions' as presented on 07 September 2020 be noted.
2. That, in light of the proposed conduct of a Sports, Recreation and Open Space Plan and progression of the Community and Recreation Hub, the Wehl Street Theatre and Reidy Park Centre leases be allowed to continue on a monthly tenancy basis until further notice.
3. That Council will reconsider the leasing arrangements and operating models for the Wehl Street Theatre/Centrestage and Reidy Park Centre in a broader strategic context when a Sports, Recreation and Open Space Plan and Community and Recreation Hub projects have been completed.
4. That in the interim, the Centrestage Committee of Management be advised that Council does not object to their hiring policy allowing certain appropriate related forms of commercial activity at the Wehl Street Theatre (i.e. performing arts type uses) provided such uses contribute benefit to the community by supporting the primary permitted use of the premises under the lease:

“...to develop, promote and foster community arts with a focus on performing arts within the community of Mount Gambier and District.”

BACKGROUND

At the Council meeting held on 19 May 2020 Council considered Report No. AR20/28691 in relation to the expiry and renewal of the Centrestage Community Theatre lease for the Wehl Street Theatre and resolved as follows:

- “2. *Centre Stage Inc be advised Council has resolved they continue on a month by month lease until further notice.*
3. *The future use and management arrangements for the Wehl Street Theatre be referred to an Elected Member Workshop with the current tenant being invited.*”

An Elected Member Workshop on the lease of the Wehl Street Theatre lease was held on 13 July 2020 and attended by representatives of Centrestage, as the tenant and operator of the theatre.

Workshop discussion included suggestion of amendment to the Constitution and Rules of the Centrestage Community Theatre Incorporated to better place it for the future management of the Wehl Street Theatre. It was noted that Council contributed significantly to the establishment of the Centrestage Community Theatre and its Constitution and Rules.

Since the Elected Member Workshop on 13 July 2020 Council’s Manager Executive Administration has met with the management committee of the Reidy Park Centre who are in a similar position to Centrestage, operating a Council facility under a Constitution and Rules developed by Council.

This report presents these similar issues together for consideration.

DISCUSSION

The Centrestage Community Theatre Inc. and Reidy Park Centre Inc. Constitution and Rules were adopted in 1999 and 2000 respectively following their development in conjunction with Council for the management of the associated facilities (Wehl Street Theatre and Reidy Park Centre).

With the exception of site and user specific matters that differ between each organisation and site the Constitution and Rules of both Centrestage and the Reidy Park Centre are more or less identical.

Copies of the Centrestage and Reidy Park Centre Constitution and Rules can be found as **Attachments 1 & 2** respectively.

Similar to the Wehl Street Theatre, the Reidy Park Centre lease was granted for a period of 10 years with a further renewal period of 10 years that has now expired. Both leases are now continuing under ‘holding over’ provisions which provide a monthly tenancy whereby Council or the Lessee may terminate on the giving of one month’s notice.

The management groups of both Centrestage and the Reidy Park Centre are aware of Council’s comments in relation to the Centrestage Constitution, and it would be fair to say that both groups might anticipate some changes in this regard, which Council may wish to direct.

In light of the subject matter contained in Economic and Environment Report No. AR20/36020 titled ‘*Strategic Property Management - Sport, Recreation and Open Space Plan and precinct Master Planning*’ which would include the Wehl Street Theatre and Reidy Park Centre sites, and the recent announcement on the Community and Recreation Hub project this report recommends that Council defer any changes to the Constitutions and/or lease/operating arrangements for Centrestage and the Reidy Park Centre until outcomes associated with these two strategic matters are developed.

In the meantime, the existing leases may continue on a monthly tenancy basis, or Council may consider offering a 2 year lease to enable Wehl Street Theatre and Reidy Park Centre operations to continue whilst these other strategic projects are undertaken.

Further, notwithstanding that the lease with Council does not expressly prohibited commercial type use of the Wehl Street Theatre, in order to support the continued sustainability of the theatre and management model it is also recommended that Centrestage be advised that Council does not object to their hiring policy allowing certain appropriate related forms of commercial activity at the Wehl Street Theatre provided such uses contribute benefit to the community including by supporting the primary permitted use of the premises under the lease, being:

“...to develop, promote and foster community arts with a focus on performing arts within the community of Mount Gambier and District.”

CONCLUSION

Having considered the Centrestage and Reidy Park Centre Constitution and Rules and noting the proposed conduct of a Sports, Recreation and Open Space Plan and the progression of the Community and Recreation Hub, this report recommends that the Wehl Street Theatre and Reidy Park Centre leases be allowed to continue on a monthly tenancy basis until Council has opportunity to reconsider these sites and operating models in a broader strategic context.

- (5) In the event of an adverse determination, it shall be open to the applicant to appeal to the Association at a Special General Meeting of Members against the adverse determination. The intention to appeal shall be communicated to the Secretary of the Association within 14 days after the determination of the Committee of Management has been communicated to the applicant.
- (6) In the event of an appeal the appellant's application for membership of the Association shall not be rejected unless the determination of the Committee of Management to reject the applicant is upheld by a majority vote of the Members of the Association present at a Special General Meeting of Members after the appellant has been heard.

ANNUAL GENERAL MEETING:

12. (1) The Association shall in each calendar year convene an Annual General Meeting of its Members.
- (2) The Annual General Meeting shall be held on such day and time as the Committee of Management determines provided that such meeting shall be held on or before the 30th day of September in each and every year.
- (3) The Annual General Meeting shall be specified as such in the notice convening it.
- (4) The notice of such meeting shall be advertised in the local press and be forwarded to each and every class of Member of the Association not less than 14 days prior to the date set for the Annual General Meeting.

- 7 -

- (5) The ordinary business of the Annual General Meeting shall be:-
- (a) to confirm the minutes of the last preceding Annual General Meeting;
 - (b) to receive office holders reports upon the transactions of the Association during the last preceding financial year;
 - (c) (1) to appoint or elect from the ordinary Members persons to serve on the Committee of Management of the Association;
 - (2) the number of persons to be appointed or elected from the ordinary Members to the Committee of Management shall not exceed five (5);
 - (d) to receive and consider the Audited Financial Statements, Operating Cash Flow Statements, Statement of Financial Position and Balance Sheet submitted by the Association;
 - (e) to elect the officers of the Association as referenced at Rule 21 (1);
 - (f) to appoint the Auditor of the Association;
 - (g) to appoint a person as Public Officer of the Association;
 - (h) to appoint two (2) persons (who must be on the Committee of Management) to act as seal holders of the Association; and
 - (i) to receive and consider such proposal to amend these Rules as have from time to time been lodged with and referred by the Committee of Management in accordance with the provisions of Rule 31 hereof.
- (6) The Annual General Meeting may also transact special business of which notice has been given generally in accordance with the procedures set down for Rule 31 hereof.
- (7) The Annual General Meeting shall be in addition to any other Special General Meetings that may be held in the same year.
- 12a The procedures to be followed regarding the nomination and appointment of Members to the officer positions and/or to the Committee of Management positions shall be as follows:

- 8 -

- (a) a Member may nominate for more than one officer position i.e. Chairperson or Secretary or Treasurer or Public Officer or the remaining Committee of Management positions.
- (b) Noting the procedure for the appointment of officers at Rule 22(2)(d) then:
 - (1) a Member who has been nominated for one of the four (4) officer positions but was unsuccessful in being elected to that position, then the unsuccessful candidate(s) has/have the option at the actual Annual General Meeting only to advise the meeting if they wish to be a candidate for election to any of the next available officer positions or one of the remaining Committee of Management positions;
 - (2) if the Member takes the option to be a candidate for election to one of the next available officer positions or the remaining Committee of Management positions then that Member shall be considered as being deemed to be nominated for such position and will be considered for election along with all other nominations that may have been received.
- (c) (1) a Member may nominate for more than one of the officer positions as referenced at Rule 12a(1) and may also nominate for one of the remaining Committee of Management positions that are concurrently available.
 - (2) should a Member be successful in being appointed to one of the officer positions and who also has nominated for one of the remaining Committee of Management positions then the nomination of the Member for one of the remaining Committee of Management positions shall automatically be withdrawn.
- (d) (1) a Member having agreed to be nominated for one (1) of the positions on the Committee of Management shall not withdraw their nomination except on the grounds of serious illness.
 - (2) the withdrawal of a nomination under Rule 12a (d) (1) hereof cannot be recognised unless the notice is in writing and the withdrawal is supported by the certificate of a legally qualified medical practitioner certifying that the candidate is too ill to be able to carry out satisfactorily the duties on the Committee of Management.

9

- (e) Nominations from the ordinary Members for the general positions on the Committee of Management must be lodged with the Secretary from fourteen (14) days prior to the date of the Annual General Meeting until the date and actual commencement time of the actual Annual General Meeting.
- (f) Where more candidates are nominated than there are positions available, then the election of Members to the positions shall be conducted by a secret ballot and determined by a simple majority of Members present at the Annual General Meeting.

SPECIAL GENERAL MEETING:

13. (1) All general meetings of the Association other than the Annual General Meeting and meetings of the Committee of Management shall be called Special General Meetings of Members.
- (2) The Committee of Management may, whenever it thinks fit, convene a Special General Meeting of the Association and notice of such meeting shall be forwarded to each and every Member of the Association not less than 14 days prior to the date set for the Special General Meeting.

- (a) Bookings for the building/land only be permitted for the purposes of community, social, charitable trade fairs and entertainment functions to be held for the benefit of the local community or a section thereof;
- (b) Council prohibit the hire of the building/land for all commercial, wholesale and/or retail sales or activities etc. (where the primary purpose is these uses) and for personal profit generally of the hirer;
- (c) Bookings for other purposes to be decided by the Committee of Management, provided it is not inconsistent with the stated desires for the use of the building/land;
- (d) The Committee of Management be empowered to arbitrate on the question of "benefit to the local community".

2. Effect

- (a) The policy prohibits the hiring of the building/land to any company or person, etc. (local or non local) where the primary use/activity is for personal profit generally;
- (b) The policy limits the building/land to a hiring where the purposes is for community, social, sporting, charitable use, etc. and where a benefit to the local community or a section thereof is likely or any expectation from the hiring.

3. Hire

The Committee of Management be empowered to grant a reduction of hire rates for the use of the building/land and its facilities to charitable or community organisations as the Committee of Management sees fit.

15.5 MEMORIAL POLICY AND REQUEST FOR BENCH SEAT AND INFORMATION BOARD TO BE LOCATED ON THE TOP OF THE SUGAR LOAF HILL – REPORT NO. AR19/70251

Committee:	Economic and Environment Committee
Meeting Date:	7 September 2020
Report No.:	AR19/70251
CM9 Reference:	AF19/412
Author:	Nick Serle, General Manager City Infrastructure
Authoriser:	Andrew Meddle, Chief Executive Officer
Summary:	A report seeking endorsement of a Memorial Policy and / or a decision in respect of a request to install a memorial seat and information board to be located on the top of the Sugar Loaf Hill to the west of Potter’s Point.
Community Plan Reference:	Goal 1: Our People Goal 2: Our Location Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage

REPORT RECOMMENDATION

1. That Economic and Environment Committee Report No. AR19/70251 titled ‘Memorial Policy and request for bench seat and information board to be located on the top of the Sugar Loaf Hill’ as presented on 07 September 2020 be noted.
2. That Council endorse the Memorials Policy
OR
That Council approve the installation of a donated bench seat and information board to be located on the top of the Sugar Loaf Hill to the west of Potter’s Point.

BACKGROUND

From time to time, the Council receives requests from individuals or organisations for the installation of a memorial plaque on seating or associated with a tree in memory of a deceased current or former resident of the City of Mount Gambier.

In the absence of a policy requests are required to come to Council for consideration as no delegation exists to committees or to officers. As an issue for councils in recent times, the following have been raised:

- Impact of numerous memorials on the landscape;
- Appropriateness of the proposed memorials to specific sites;
- Design, construction and use of materials to minimise maintenance costs;
- Longevity of the memorials; and
- Public safety associated with their design and location.

The purpose of this proposed policy is to provide appropriate opportunities and response to public requests to install memorials on Council land (that is, land owned by or under Council's care, control or management) and to ensure that applications for memorial plaques on seating and trees are managed on a consistent basis and in alignment with Council's strategic direction and corporate policies. Each application will be considered on its own merit.

This Policy applies to the placement of memorial plaques on seating in Council parks, reserves, public open space and streetscapes or associated with memorial trees. It is not intended to apply to Carinya Gardens.

DISCUSSION

A Memorials Policy has been developed to provide appropriate opportunities and response to public requests to install memorials on Council land (please see **Attachment 1**). Council Administration recommends that the Memorials Policy be endorsed by Council.

Financial, Risk and Asset Management Implications

There are no direct financial implications associated with the recommendation in this Report.

Memorial furniture and plaques will be installed in accordance with Council specifications and requirements. The specifications and approval condition take into account impacts of visual amenity, the existing infrastructure and furniture of the locality, along with public safety as a requirement.

Council may reasonably decommission memorial furniture on the following basis:

- High levels of community concern; or
- Changes to the open space environment that may impact negatively on the memorial furniture.

All memorials and plaques placed on Council owned and managed land are Council assets and therefore are owned and under the care, control and management of Council.

The memorial seating with plaque has a finite life, and whilst every reasonable effort will be made to extend the life of the seating/plaque, Council cannot guarantee that the seating/plaque will remain at the designated site indefinitely. Council envisages that the seating/plaque will be located at the site for a period of not less than 10 years from the date of installation with the following exceptions:

- The area in which the seating is sited is to be redeveloped; or
- Use of the site changes significantly in character and the item is not deemed suitable for the site.

Should Council not support the endorsement of this policy, then the following request will require resolution. If Council seek to endorse the policy, then the request will be dealt with positively under that policy.

Council has received a request from Mr Philip Arthur to place a garden seat, plaque and information board in memory of his father Mr Eric Arthur at the top of the Sugar Loaf Hill to the west of Potter's Point. Information relating to this can be found as **Attachments 2, 3 and 4**.

Eric Arthur and his father GW Arthur made significant historical contributions to the Mount Gambier region through their photography and community service. Eric and others put a lot of effort into beautifying the lakes area over many decades and the panorama has changed markedly as a result. One of his favourite spots to enjoy the resulting vista was the "Sugar Loaf".

Richard Woods the Limestone Coast Heritage Advisor has been asked for comment on the request and provided the following as part of his response; *"The proposed interpretation and place marking tells great story about the landscape values of the Crater Lakes. It provides a valuable perspective on changes over time, insights into changing community values and brings these to life with personal stories. Subject to detail design, the proposal is consistent with the State heritage values of the place."*

The bench seat, plaque and interpretive sign if supported by Council will require development approval at which time the design of the interpretive sign will be modified to comply with Council's approved "family" of signs and branding.

CONCLUSION

That Council approve the installation of a donated bench seat and information board to be located on the top of the Sugar Loaf Hill to the west of Potter's Point subject to final designs meeting development approval for the Crater Lakes State Heritage Area and compliance with Council's approved "family" of signs for the area.

 City of Mount Gambier	COUNCIL POLICY XXXX MEMORIALS POLICY	Version No:	1
		Issued:	15 September 2020
		Next Review:	September 2024

1. POLICY STATEMENT

The City of Mount Gambier Memorials Policy has been developed to provide guidance in relation to the use of public open space in the placement of Memorials and excludes Carinya Gardens.

2. SCOPE

The City of Mount Gambier recognises that members of the community may wish to use public open space to commemorate a person or group of people through a Memorial, which adds to the value of the wellbeing of the community.

This Policy applies to the placement of Memorials with plaques on seating in Council parks, reserves, public open space and streetscapes or associated with a Memorial tree.

All Memorials and plaques placed on Council owned and managed land are Council assets and therefore are owned and under the care, control and management of Council.

3. PRINCIPLES

Applications

Each application will be assessed on its individual merit, firstly meeting the basic criteria and subject to the conditions within this Management Guideline. All applications for a Memorial must be received using the 'Memorials Application Form'.

All applications will be determined by the Council under delegation. Decisions will be confirmed to the applicant/s.

Memorials Criteria

All applications must meet the following criteria:

- Commitment to fund the memorial;
- The deceased was a local community member; and
- Placement of the memorial would benefit the community in acknowledging the deceased.

Design and Cost

The Council will specify the size and design of the plaque in accordance with the type of seating or tree on which it will be placed. The Council will coordinate the design and installation of the plaque.

Furniture or tree planting and plaque associated with the Memorial may be selected, including payment of the relevant fee by the applicant, from options contained in Council's Schedule of Fees and Charges as amended from time to time.

Options may be limited at certain locations e.g. in a Heritage area or other precinct with a particular streetscape or landscape design.

It should be noted that the fee represents not only the initial purchase price and installation of the Memorial, but also ongoing costs for the life of the furniture or tree and plaque.

Locality

The placement of a Memorial and Plaque on seating in Council parks, reserves, public open space and streetscapes or on memorial trees is to be determined in consultation with Council.

Electronic version on TRIM is the controlled version.

Printed copies are considered uncontrolled. Before using a printed copy, verify that it is the current version.

	COUNCIL POLICY XXXX MEMORIALS POLICY	Version No:	1
		Issued:	15 September 2020
		Next Review:	September 2024

Life of the Plaque

Furniture, trees and plaques have a finite life. The Council envisages that a Memorial will be located at the agreed site for a period of not less than 10 years from the date of installation.

In the case of a Memorial comprising a tree, the Memorial will be for the life of the tree.

Should a Memorial or Plaque be vandalised, weathered or worn beyond repair, or in the case of a tree is severely damaged, or disfigured or dies, it will be deemed to be at the end of its useful life.

Council reserves the right to remove a memorial at the end of its useful life or after the expiry of 10 years and will use reasonable endeavours to contact the applicant/next of kin to inform them of this.

There will be no automatic right of renewal and an applicant/next of kin may lodge a new application and fee for any new/replacement Memorial.

4. IMPLEMENTATION

Once adopted, the Chief Executive Officer or any staff member sub-delegated will be responsible for implementing this policy. This includes advice to staff, awareness training, monitoring of adherence to the policy, media releases advising the community of documentation and drafting of complementary administrative principles.

A review of Policies and Management Guidelines shall be undertaken in accordance with timelines set out in the policy at the development stage. The review process will be initiated by the Office of the Chief Executive Officer.

5. DEFINITIONS

Local Government Land means land owned by the Council or under the Council's care, control and management.

Memorial means park furniture (i.e. park bench, seat or picnic setting) or tree designed to preserve the memory of a person or group.

Plaque means a flat metal or brass plate that includes text that commemorates an individual.

Applicant means the person/s or organisation submitting a proposal for a Memorial Plaque.

Public Open Space is defined, for the purposes of this Policy, as land that is available to the public for recreation or sport or has a conservation or aesthetic purpose. Open space includes reserves, parks, trails, sportsgrounds, civic area and play spaces. This excludes Carinya Gardens for the purpose of this Policy.

Commemorative Tree means trees planted in honour or memory of person(s).

6. AVAILABILITY OF POLICY

This Policy will be available for inspection at Council's principal office during ordinary business hours and on the Council's website www.mountgambier.sa.gov.au.

Copies of this Policy may also be obtained by interested members of the community upon payment of a fee in accordance with Council's Schedule of Fees and Charges.

Electronic version on TRIM is the controlled version.

Printed copies are considered uncontrolled. Before using a printed copy, verify that it is the current version.

7. REVIEW & EVALUATION

The Council is required to review this code within 12 months after the conclusion of each periodic election. However, it may be reviewed at any other time as required by any legislative changes which may occur.

8. GRIEVANCE

Council has established procedures for the review of decisions under Section 270 of the Act for:

- Council, and its Committees;
- employees of Council and
- other persons acting on behalf of Council.

Should a person be aggrieved about a document or decision then they can lodge an application for review of that decision under the Internal Review of Council Decisions Procedure established by Council.

The procedures adopted by Council are available from the Chief Executive Officer, telephone 8721 2555 or from Council web-site www.mountgambier.sa.gov.au.

Subject: Sugar Loaf Bench Seat and Information Board

Dear Mayor Martin

Following the recent death of our father, Eric Arthur, our family would like to donate a bench seat and information board to be located on the top of the "Sugar Loaf" hill to the west of Potter's Point. We'd like the information board to briefly record the historical contributions that our father and grandfather (G W Arthur) made to the Mount Gambier region through their photography and community service. Dad and others put a lot of effort into beautifying the lakes area over many decades and the panorama has changed markedly as a result. One of his favourite spots to enjoy the resulting vista was the "Sugar Loaf". On a recent walk I noticed there is no seat on the top of the hill that allows walkers to stop and take in the view of the lakes, only a simple bench that looks outwards over Tennyson College. We believe a park bench would be a great addition, especially with the increasing interest in the walk around the crater and were thinking of a bench seat similar to the one below, possibly with a plaque inscribed "In loving memory of Eric "Ric" Arthur".

Mount Gambier Crater Lakes

From 1908 Garnet Arthur and his son, Eric Arthur, photo documented the Mount Gambier region over many decades, covering landscapes, everyday life, civic events and celebrations, family gatherings and commercial photography. Over 6,500 of their images can be accessed online from the archives of the State Library of South Australia.

<https://www.slsa.sa.gov.au/home>

These two panorama photographs, both created by Garnet using a field camera and blending three glass plate negatives together, show the appearance of the Valley and Brownie's Lakes in the early part of the 20th century. As a member of the Lakes Beautification Committee Eric organized numerous plantings in the lakes area over the years, transforming the slopes and valleys.

Subject: Re: Sugar Loaf Bench Seat and Information Board

Hi Nick

Thanks for seeking preliminary advice on this proposal for Development in the Crater Lake State Heritage Area.

Interpretive Sign

The proposed interpretation and place marking tells great story about the landscape values of the Crater Lakes.

It provides a valuable perspective on changes over time, insights into changing community values and brings these to life with personal stories. Subject to detail design, the proposal is consistent with the State heritage values of the place.

Where possible, interpretive signboards in the Crater Lakes should be consistent in design, and be of high design quality.

There is a legacy of un-coordinated signage of varying quality, age and condition across the area.

For a one-off project, the design, appearance and graphics should reflect or integrate with the best of the existing interpretive signage, rather than re-invent the wheel.

The usual design principles for public interpretive signage - relevance, clarity of message, narratives, visual communication, physical robustness, material durability and minimal maintenance - all need to be addressed.

Bench Set

Similarly, a new bench seat should integrate with the design of other park furniture, and should be relevant to the outdoor open space.

The detailed siting of the sign and bench will need to be reviewed on site. I would be pleased to meet on site with Philip and yourself in 2020.

Memorial Plaque

The installation of personal memorials in public reserves should be given careful policy consideration. To my mind, the proposed interpretive sign captures the essence of the Arthur's community and professional contributions. This would be of interest to a wide range of people, and is an appropriate and complete memorial in itself. In our culture, personal plaques, while expected and appropriate in a public cemetery or formal garden, are out of character in a public open space reserve.

Richard Woods

**15.6 CONSULTATION DRAFT DISABILITY ACCESS AND INCLUSION PLAN 2020-2024 –
REPORT NO. AR20/51606**

Committee:	Economic and Environment Committee
Meeting Date:	7 September 2020
Report No.:	AR20/51606
CM9 Reference:	AF19/412
Author:	Ashlee Lavia, Administrative Support - Community Wellbeing
Authoriser:	Andrew Meddle, Chief Executive Officer
Summary:	A report providing the process for moving forward with public consultation on Council’s Disability Access and Inclusion Plan for the period 2020-2024.
Community Plan Reference:	Goal 1: Our People Goal 2: Our Location Goal 3: Our Diverse Economy Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage

REPORT RECOMMENDATION

1. That Economic and Environment Committee Report No. AR20/51606 titled ‘Consultation Draft Disability Access and Inclusion Plan 2020-2024’ as presented on 07 September 2020 be noted.
2. That Council endorse the draft Disability Access and Inclusion Plan (**Attachment 1**) for the purposes of public consultation, in accordance with the Public Consultation section of this report.
3. That the Chief Executive Officer be authorised to make minor textual changes to correct typos and errors of fact.

BACKGROUND

The Disability Inclusion Act 2018 (SA) requires the Council to develop a Disability Access and Inclusion Plan in line with the Inclusive SA: State Disability Inclusion Plan 2019 - 2023 before 31 October 2020.

The purpose for the draft City of Mount Gambier Disability Access and Inclusion Plan (DAIP) (**Attachment 1**) is to outline our commitment to the continuous review and development of information, services and facilities to ensure equitable access and inclusion for all within our community.

DISCUSSION

The draft DAIP has been developed in consultation with Council's stakeholders groups and is aligned with the State Disability Inclusion Plan 2019-2023 themes of:

1. Inclusive communities for all
2. Leadership and collaboration
3. Accessible communities
4. Learning and employment

Council invited participation from the following stakeholders or groups:

- **Accommodation:** Resthaven, Boandik Lodge
- **Support Services:** ComRec, Home Care Plus
- **Health:** 1st Stop Pediatric Services/Occupational Therapy
- **Education:** Gordon Education Centre
- **Employment:** WISE Employment
- **Reference Group/s:** NDIS Inclusion Reference Group

A letter requesting feedback was sent to the above stakeholder groups and of the 8 groups, Council received responses from Boandik Lodge (**Attachment 2**) and the NDIS Inclusion Reference Group (**Attachment 3**).

Public Consultation

The Council intends to undertake the public consultation phase in accordance with Council Policy P195 Community Consultation and Engagement.

In terms of the public consultation, the following activities are envisaged:

- Use of the Have Your Say Mount Gambier;
- Use of the Council's website and intranet;
- Council's social media presence;
- Public display and engagement;
- Staff briefings;
- Media releases; and
- Radio interviews.

It is intended that the process will commence on 18 September 2020, public consultation documents will be available from 18 September 2020 and will run for 21 days until 9 October 2020. This will enable the processing of representations and the making of proposed changes in time for Council consideration.

The items in the bullet pointed list previously will run for all or part of the public consultation period.

CONCLUSION

The Draft Disability Access and Inclusion Plan 2020 - 2024 is an important document that outlines how Council plans to provide equal access to services for all members of the community regardless of ability. The Plan has been developed through consultation with stakeholders that have involvement with disabled people living in the community. The proposed action items for Council to deliver over the four year period of the Plan have been distilled from the feedback received and have been assessed as achievable work Council should be involved with.

The proposed draft Plan outlines work Council can be proud of achieving by providing a framework that ensures all residents and visitors to the City of Mount Gambier have equal access to services regardless of abilities. The proposed plan will become a living document that will be reviewed and updated as community needs change.

Introduction

The Disability Inclusion Act 2018 (SA) requires the Council to develop a Disability Access and Inclusion Plan in line with the Inclusive SA: State Disability Inclusion Plan 2019 - 2023.

The first City of Mount Gambier Disability Access and Inclusion Plan has been developed through consultation with our community and staff, addressing priority areas within our community and providing awareness of disability and equitable access and inclusion.

Purpose

The purpose for the City of Mount Gambier Disability Access and Inclusion Plan (DAIP) is to outline our commitment to the continuous review and development of information, services and facilities to ensure equitable access and inclusion for all within our community.

Our DAIP has been structured in line with the Inclusive SA: State Disability Inclusion Plan 2019 - 2023 themes and priority areas:

1. Inclusive communities for all

- Priority 1: Involvement in the community
- Priority 2: Improving community understanding and awareness
- Priority 3: Promoting the rights of people living with disability

2. Leadership and collaboration

- Priority 4: Participation in decision-making
- Priority 5: Leadership and raising profile
- Priority 6: Engagement and consultation

3. Accessible communities

- Priority 7: Universal Design across South Australia
- Priority 8: Accessible and available information
- Priority 9: Access to services

4. Learning and employment

- Priority 10: Better supports within educational and training settings
- Priority 11: Skill development through volunteering and support in navigating the pathway between learning and earning
- Priority 12: Improved access to employment opportunities and better support within workplaces

Defining Disability

There are many different kinds of disabilities, which can result from accidents, illness or genetic disorders. The Disability Discrimination Act 1992 defines disability in relation to as person as:

- (a) total or partial loss of the person's bodily or mental functions; or
- (b) total or partial loss of a part of the body; or
- (c) the presence in the body of organisms causing disease or illness; or
- (d) the presence in the body of organisms capable of causing disease or illness; or
- (e) the malfunction, malformation or disfigurement of a part of the person's body; or
- (f) a disorder or malfunction that results in the person learning differently from a person without the disorder or malfunction; or
- (g) a disorder, illness or disease that affects a person's thought processes, perception of reality, emotions or judgment or that results in disturbed behaviour;
and includes a disability that:
 - (h) presently exists; or
 - (i) previously existed but no longer exists; or
 - (j) may exist in the future (including because of a genetic predisposition to that disability); or
 - (k) is imputed to a person.

To avoid doubt, a disability that is otherwise covered by this definition includes behaviour that is a symptom or manifestation of the disability.

Disability in the City of Mount Gambier

Mount Gambier is the largest regional city in South Australia located centrally between Adelaide and Melbourne. Mount Gambier is the major service centre for the Limestone Coast, a thriving progressive community with city facilities and services.

Mount Gambier is home to more than 27,000 people with the City of Mount Gambier employing of over 160 staff working across 9 sites. The exact number of staff identifying with a disability employed at the City of Mount Gambier is currently unknown. There is currently no reporting procedure in place, however through the delivery of the actions within the Disability Access and Inclusion Plan (DAIP) we hope to determine this.

The Australia Bureau of Statistics 2016 data states that of the approximately 26,000 people living in the City of Mount Gambier in 2016, 1,714 people or 6.5% of the population reported needing help in their day-to-day lives due to disability.

In the 2016, 6% of the South Australian population reported needing assistance in their everyday lives this equated to approximately 103,000 South Australians requiring assistance.

People living with disability within our Community may have difficulties:

- using our footpaths and ramps
- finding their way around our city
- accessing our public buildings, amenities and parks
- gaining employment
- accessing and reading information including on our website
- hearing at a public meeting or at a customer service counter
- feeling accepted and valued.

It is important that Council continues to ensure equity of access for all people living within the City of Mount Gambier and that minimum standards of Disability Discrimination Act 1992 (DDA) compliance are met.

Access and Inclusion Timeline:**Equal Opportunity Act 1984 (SA)**

The Equal Opportunity Act makes disability discrimination against the law and promotes equal rights, opportunities and access for people living with disability.

Australian Human Rights Commission Act 1986

Provides power to the Commission to deal with complaints of discrimination.

Commonwealth Disability Discrimination Act 1992 (DDA)

The DDA makes it unlawful to treat someone less favourably because of a disability.

United Nations Convention on the Rights of Persons with Disabilities 2008

The United Nations Convention on the Rights of Persons with Disabilities is an international human rights treaty intended to protect the rights and dignity of people with disabilities.

Disability (Access to Premises - Buildings) Standards 2010

The Disability (Access to Premises - Buildings) Standards 2010 was adopted in South Australia on 1 October 2012. This was adopted via the Development (Building Rules Consent - Disability Access) Variation Regulations 2012 which came into effect when the Development (Building Rules Consent - Disability Access) Amendment Act 2011 commenced.

National Disability Strategy 2010-2020 (NDS)

The Department of Social Services NDS outlines a 10 year plan to improve the lives of people living with disability and promote participation for a more inclusive society.

South Australian Public Health Act 2011

Promotes and provides for the protection of the health of the public of South Australia and to reduce the incidence of preventable illness, injury and disability.

South Australian Disability Inclusion Act 2018

Under the Disability Inclusion Act 2018 (SA), Councils in South Australia are required to develop a Disability Access and Inclusion Plans (DAIPs) by October 2020.

City of Mount Gambier Disability Access Audit on Public Buildings 2018

Prepared by David Vandborg, Building Surveyor, the City of Mount Gambier carried out an access audit of all Council owned buildings in preparation for the development of our Disability Access and Inclusion Plan (DAIP).

Inclusive SA: State Disability Inclusion Plan 2019-2023

The State Inclusive SA Plan brings South Australian councils together to reduce the obstacles people living with disability deal with in their local communities.

The City of Mount Gambier Disability Access and Inclusion Plan (DAIP) 2020-2024

Sets out the action plan for the City of Mount Gambier to develop and review the equity of access and inclusion of all facilities and services within Mount Gambier.

Our Vision

The Vision according to the Government of South Australia Stare Disability Inclusion Plan states:

“Our vision is an accessible and inclusive South Australia based on fairness and respect.”

The City of Mount Gambier Strategic Plan 2020-2024 includes the following focus areas to assist with ensuring equity of access for all people living within our Community:

1.3 Sense of community

We foster a sense of community by encouraging and supporting participation in community life.

1.3.1 Supporting community events and programs that bring people together, encourage interaction and promote a sense of community

1.4 Care for the community

We will develop our service offering to the community to ensure all members have access to required levels of support.

1.4.1 Developing and delivering community safety initiatives that respond to local issues and concerns

1.4.5 Ensuring support services and recreational activities are accessible

2.1 Infrastructure development and managing our current assets

We will commence work on meeting the community's aspirations for future infrastructure development, whilst managing our existing infrastructure and assets in a manner that demonstrates the pride we take in our environment.

2.1.1 Working with the community to ensure our CBD, health and education precincts, our streets and our public spaces are safe, inviting and support a positive image of the City of Mount Gambier.

Council will continue to review and develop strategies to address the priority groups in our community living with disability including women, children, Aboriginal and Torres Strait Islander people and culturally and linguistically diverse people.

Action Plan:

The City of Mount Gambier Disability Access and Inclusion Plan is structured around the themes and priority areas of the Inclusive SA: State Disability Inclusion Plan 2019 - 2023.

1: Inclusive communities for all

Social inclusion is a priority for people living with disability as it affects all aspects of their lives. It is our aim that the contributions and rights of people living with disability are valued and understood by all South Australians and that their rights are promoted, upheld and protected. We also want to ensure that people living with disability are supported to advocate for their own rights.

Priority 1: Involvement in the community

Priority 2: Improving community understanding and awareness

Priority 3: Promoting the rights of people living with disability

Action	State Plan Priority #	Responsibility	Timeframe	Measurable Target
<p>1. Council to ensure community events, particularly those organised by City of Mount Gambier are inclusive for all people and include consideration of diverse access needs.</p> <p>a. 2 years for acquittal of Grant Funding.</p>	1	General Manager City Growth, General Manager Community Wellbeing and Events Team	4 years	<p>Information packs</p> <p>Improved processes</p> <p>Funding eligibility requirements</p>
<p>2. Council to collaborate with local organisations and people with lived experience of disability to deliver training about disability, access and inclusion. People with disability should be paid for their time and involvement</p> <p>a. Council to maintain representation with NDIS inclusion reference group.</p>	2	<p>Community Wellbeing</p> <p>All Departments</p>	4 years	All Council Staff training

Action	State Plan Priority #	Responsibility	Timeframe	Measurable Target
b. Embedding awareness with action groups				
3. Council to reference the Human Rights Model of Disability when reviewing disability related planning and policies. Council to also refer to the United Nations Charter on the rights of persons with disability.	3	Governance to produce a checklist with assistance from Manager Operations and Engineering All to action in planning and policy processes Leadership Team to Monitor	4 years	Checklist produced for development of policies and procedures SWOT Analysis undertaken

2: Leadership and collaboration

People living with disability want to have a greater role in leading and contributing to government and community decision-making. It is our aim that the perspectives of people living with disability are actively sought and that they are supported to participate meaningfully in government and community consultation and engagement activities.

Priority 4: Participation in decision-making

Priority 5: Leadership and raising profile

Priority 6: Engagement and consultation

Action	State Plan Priority #	Responsibility	Timeframe	Measurable Target
4. Council to develop a policy that ensures planned community consultations enable people of all abilities to respond. For example provision of large font size on website, able to listen to consultation request from website and providing hearing assistance for group consultations.	4	Community Development and Engagement	1 year	Community Engagement Policy further developed Consultation Checklist
5. Council to engage with focus group of people with lived disability experience.	5	Community Wellbeing	Ongoing	Council to actively engage with focus group in decision making on relevant issues.

3: Accessible communities

The accessibility of the built environment, quality services and information is key to ensuring people living with disability are included and have the opportunity to equally participate in all aspects of community life. It is our aim to increase accessibility to public and community infrastructure, transport, services, information, sport and recreation and the greater community.

Priority 7: Universal Design across South Australia

Priority 8: Accessible and available information

Priority 9: Access to services

Action	State Plan Priority #	Responsibility	Timeframe	Measurable Target
6. Council to adopt inclusive design principles that encourages best practice rather than meeting minimum legislative requirements.	7	Development Services	2 years	Trained personnel to assess NDIS requirements
7. Council to take a leadership role ensuring information provided by Council is available in multiple formats (e.g., Easy Read, Auslan, pictorial forms, large font, audible options, Braille, captions, VoiceOver and dyslexia-friendly fonts).	8	Leadership Team	4 years	Develop and implement a policy
8. Council to undertake an audit of assets and services, employing people with lived experience of disability to 'road test' and assess their accessibility. Use the findings to inform the development of a schedule of modifications.	9	Development Services	4 years	Plan a budget Audit completed

4: Learning and employment

Workforce participation is fundamental to social inclusion. It provides economic independence and choice, social connections and friendships, value, identity and belonging. It is our aim that people living with disability have access to inclusive places of study and that education and training provides pathways to meaningful and inclusive employment and volunteering opportunities.

Priority 10: Better supports within educational and training settings

Priority 11: Skill development through volunteering and support in navigating the pathway between learning and earning

Priority 12: Improved access to employment opportunities and better support within workplaces

Action	State Plan Priority #	Responsibility	Timeframe	Measurable Target
9. Council to advocate State and National bodies for increased disability and inclusion support in the Limestone Coast.	10	CEO	Ongoing	Increased disability and inclusion support in the Limestone Coast
10. Council to continue to partner with NDIS and relevant agencies in creating volunteering and employment opportunities for people living with disabilities.	11	Manager Organisational Development Procurement	Ongoing	Partnership opportunities identified and pursued where available Engagement of Orana and Bedford
11. Council to promote workforce diversity, committing to recruiting and retaining a greater proportion of staff with disability. Set measurable goals and regularly check in with progress.	12	Manager Organisational Development and Human Resources	1 year & Ongoing	Alter the language in employment principles and update recruitment policy to promote workforce diversity. Proportionate quotas

Disability Access and Inclusion Plan development

Consultation

To enable the development of the first Disability Access and Inclusion Plan (DAIP) for the City of Mount Gambier stakeholder groups from our community were invited to provide feedback on several questions linking back to the themes of our draft plan.

This stakeholder feedback was reviewed by the City of Mount Gambier Leadership Team and presented as an action plan for our draft Disability Access and Inclusion Plan (DAIP) for consultation purposes.

Further details to be added in final document.

Relationship to other policies, strategies, frameworks

The City of Mount Gambier Disability Access and Inclusion Plan (DAIP) will be implemented as a strategic document that will be integrated throughout Council policies, procedures and business plans.

Examples of previous achievements

1. Changing Places Facility - James Street

In October 2019, the City of Mount Gambier officially opened its first Changing Places facility, located in the James Street toilet block.

The Changing Places Facility includes a range of features not available in standard accessible toilets, including a height adjustable adult sized change table, a tracking hoist system, non-slip flooring and more space to accommodate a person using a wheelchair and up to two carers.

The facility is secured by a universal key system, access to the facility can be gained through the purchase of a Master Locksmiths Access Key (MLAK). A MLAK enables 24/7 universal access to many of the Changing Places amenities across Australia.

2. Community and Recreation Hub (CaRH) Design

For over 30 years, there have been community discussions about the need for an indoor aquatic centre. The Community and Recreation Hub (CaRH) project will provide substantial indoor facilities addressing many community needs both now and for future generations to come.

The design for the CaRH has incorporated the following key features to assist with ensuring equity of access and inclusion:

- Wide concourses around the pool
- Multiple DDA toilets and change rooms
- A dedicated Changing Places facility
- Ramp access to all pools
- Specifically designed wheelchair friendly viewing on the mezzanine level
- The program pool can be screened off to reduce sound and the lighting can be altered
- Nominated disability parking and undercover drop off
- Designated parent's toilet and separate baby change and feeding facility.

The inclusion of the above design elements aligns with the City of Mount Gambier Strategic Plan and will ensure that recreational activities are accessible for our Community.

3. LGILC Funding

The City of Mount Gambier in conjunction with Alexandrina Council and City of Adelaide, have secured funding from the (LGILC) for the Accessible Events Pilot Project.

The scope and purpose of LGILC projects is to enable South Australian councils to undertake activities that address thin marked coverage including mainstream delivery by increasing the understanding of the needs of people living with disability in rural, regional and remote South Australia. This includes the following:

- Projects that build community awareness so that community groups and non-council business have a better understanding of the needs of people living with a disability.
- Project that consider the needs of those living with a disability who identify as Aboriginal and Torres Strait Islander (ATSI) in regional, rural and remote areas of South Australia.
- Project that consider the needs of those living with a disability who identify as Culturally and Linguistically Diverse (CALD) in regional, rural and remote areas of South Australia.
- Project that consider the needs of those living with a disability who identify lesbian, gay, bisexual, transgender, intersex and queer (LGBTQI) in regional, rural and remote areas of South Australia.

The Accessible Events Pilot Project will consist of a partnership with a disability led organisation to provide access consulting and training for event organisers in the three councils, plus small amounts of grant funding assistance to implement access improvements and evaluate the impact of these. The project will also collaborate with State Government during the development of the Events Toolkit. The outcomes of the project will be shared with event staff across SA councils through appropriate channels. It is anticipated that this demonstration project will contribute to cultural change in the area of community and tourism events that Local Government is involved with. People living with disability will benefit from events that are more inclusive and accessible in their local area.

4. Fringe Mount Gambier

Since 2018 the team at Fringe Mount Gambier have worked alongside community members with disabilities to improve site accessibility and ensure all attendees can participate in the festival.

To assist with this each year an access map is developed to clearly label best points of entry and facilities to help us ensure that people of all abilities, including people with disabilities, can gain equitable, independent and functional access to everything. In 2020 it was also planned to provide captioned programs on the large LED screen in the Cave Garden during the curated events to assist with hearing impairments.

The Fringe festival is Companion Card friendly, this simply ensures that people who are unable to attend without a companion to provide attendant care support are not charged two admission fees.

As a festival the Fringe Mount Gambier strive to make our attendance as inclusive as possible, in line with festival best practices, and engaged local members of our community with mobility impairments to help us establish accessibility options for our site plan on our major curated events.

Implementation process

The City of Mount Gambier will continue to be responsible for the implementation of our DAIP and will integrate the actions of the DAIP into our general business, annual budgeting and business planning.

The DAIP will be made available for all employees and will be incorporated into individual business unit plans and processes and procedures. Copies of the plan will be available from the Council Office, Library, Riddoch and Main Corner Complex and Visitor Information Centre and will be published on the City of Mount Gambier website.

Following endorsement of the plan, the availability of the plan will be advertised through the City of Mount Gambier Facebook page and via local media outlets. The plan will also be promoted

A representative of the City of Mount Gambier will be appointed to the NDIS Inclusion Reference Group and regularly update the City of Mount Gambier Leadership Team on issues for review or feedback / comment for the next DAIP.

The Leadership Team will work with their staff to ensure the actions outlined within the DAIP are delivered with a regular item included within the fortnightly Agenda.

The DAIP will be reviewed yearly taking into consideration any feedback / comments received from the NDIS Inclusion Reference Group, stakeholders and our Community.

Prior to October each year Council will provide a progress report to the Ministers Office in line with the legislative requirements of a DAIP.

Acknowledgments

The City of Mount Gambier acknowledges the contribution of many individuals and groups within our community who have been instrumental in the development of our Disability Access and Inclusion Plan (DAIP).

Feedback from Boandik Lodge**Theme 1: Inclusive communities for all****Question 1:**

How can Council provide or encourage better involvement in the community for people living with disability?

- Ensure accessibility for all people, consider the types of equipment that people use, large wheelchairs, mobility scooters etc.
- Consider colour schemes that create contrast, not mono-chrome colours blending into each other, particularly if there is a change in surface
- Encourage local businesses to provide access for people of all abilities
- Accessible play equipment

Question 2:

How can Council improve community understanding and awareness for people living with disability?

- There are great resources available through NDIA that could be made available to the community particularly as part of a package if approval is required for an event

Question 3:

How can Council promote or encourage the community to promote the rights of people living with disability?

-

Theme 2: Leadership and collaboration**Question 4:**

How can Council improve and foster participation in decision-making for people living with disability?

- Ensure that planned consultations enable people of all abilities to respond. Eg. Able to enlarge font size on website, able to listen to consultation request from website, hearing assistance in place if group consultation
- Develop a consultation group of people living with a disability so they can review policy changes, plans etc. and provide input

Question 5:

How can Council support and encourage fair leadership representation and raise the profile of people living with disability?

-

Question 6:

How can Council improve and encourage community engagement and consultation for people living with disability?

- Develop a consultation group of people living with a disability or their representatives so they can review policy changes, plans etc. and provide input

Theme 3: Accessible communities**Question 7:**

How can Council advocate for universal design across South Australia for people living with disability?

- Council can develop non-negotiable design principles for the City of Mount Gambier
- Promote the design principles through local government networks to influence other municipalities

Question 8:

How can Council advocate for accessible and available information for people living with disability?

-

Question 9:

How can Council provide access to its services for people living with disability?

- Carparks for people with a disability reviewed to ensure they are in a suitable location, allow ease of movement for someone with a disability as driver, passenger or rear access
- Consider technology that could be provided in any venue that would support people with vision or hearing impairment, there is now a lot of mobile technology that could be used by the individual

Theme 4: Learning and employment**Question 10:**

How can Council advocate for better supports within educational and training settings for people living with disability?

-

Question 11:

How can Council provide skill development through volunteering and support in navigating the pathway between learning and earning for people living with disability?

- Become an inclusive workplace and provide opportunities for people with a disability
- NDIS providers are funded to do this, work with them to create volunteering and employment opportunities.

Question 12:

How can Council promote or advocate for better access to employment opportunities and better support within workplaces for people living with disability?

- This can be offered by Council as an employer but each business should be able to make a decision on whether this model suits them

Feedback from the NDIS Inclusion Reference Group**Theme 1: Inclusive communities for all****Question 1:**

How can Council provide or encourage better involvement in the community for people living with disability?

- Ensure that people with disability can experience their community as fully as possible.
 - E.g., create and maintain an app or a section on the City of Mount Gambier's website that displays existing services and facilities that are accessible and inclusive (such as toilets, local eateries, sports and recreation facilities, parks and trails, arts and cultural institutions and transport services that are wheelchair and disability-friendly).
- Commit to making community events, especially those run by Council, more inclusive and considerate of diverse access needs.
 - E.g., create and maintain an 'Accessible Event' checklist that people can refer to when organising and promoting a community event.
- E.g., directly involve people with lived experience of disability in the event planning process.
- Partner with people with disability to undertake a 'road test' of access issues present in Council-owned and/or -run buildings, services and facilities. Consultative committees for discussions with council and future planning
- Providing better accessibility to know about events and services – people with disability may have limited access to technology, illiteracy, need to have information in Easy English or another format (braille, voice, photos with descriptions, larger fonts) to be able to know about events and services
- Families with children with disabilities often find themselves excluded or segregated from other families without community understanding. For example unable to attend certain events such as carols by candlelight due to a child with autism requiring a safe place to retreat when they are sensory overwhelmed and then have people stare at them and having meltdowns thus excluding entire families. Providing safe environments for families, people with dementia and other needs makes for inclusive friendly services.e.g Chill out Zones.
- People with disabilities are people with desires and wishes like anyone else and should be included in consultations, remunerated for their time, have access to their community via proper pathways, accessible toilets, well designed facilities and affordable accessible transport. For some people the lack of accessibility means that they are enduring third world facilities unable to go into their environment safely and with enough resources. They may need to make choices such as going out to a doctor's appointment or food shopping due to affordability of wheelchair taxis so that a choice to attend an event is sadly out of reach. The ability for bedridden people to 'zoom' into meetings or watch recorded events has increased participation for some during Covid 19 – don't let that return to normal when the pandemic is over. Look into these barriers, consult and be champions of change.
- Look for multiple comorbidities and complex needs that make people especially vulnerable and unable to be seen or heard. And those from CALD, or other minorities. Include carers.
- Look at existing accessible parking (disability parking). The level parking/footpath in Naracoorte main street is a great example of an easy transition for people getting out of the car and onto footpaths.

Question 2:

How can Council improve community understanding and awareness for people living with disability?

- Council to support the use of the arts to open conversations about disability and disabled experiences
 - E.g., grant funding program for local artists to create projects exploring these themes.
- Utilise opportunities such as International Day of Persons with Disability to celebrate people living with disability and build awareness and understanding in the community.
- Create and maintain toolkits for employers, organisations, cultural institutions, sporting clubs, etc. on best practice for access and inclusion.
- Collaborate with local organisations and people with lived experience of disability to deliver training about disability, access and inclusion. Any training should centre the voices of people with lived experience. People with disability should be paid for their time and involvement.
 - E.g., successful completion of training could include a sticker and certificate of accreditation for participants (such as businesses and organisations) to display on their premises and/or online spaces. Participants could also be included in a directory of accessible places.
 - E.g., Council could support local training providers to deliver such training, prioritising those with lived experience of disability, and maintain a list of officially endorsed providers.
- Employ people with disabilities. Support council candidates with disabilities. Make it 'normal' to encounter people with disabilities in everyday work roles and events.
- Have toolkits available for workplaces, organisations and event organisers that include best practice for accessibility. This may include how to write in inclusive language, Easy English, accessible websites etc
- Talk to and engage with people with disabilities, give them a voice in everyday life, look out for inequalities that provide barriers and seek solutions from people that are affected not 'experts' without lived experience. Encourage peer support groups and provide meeting spaces.
- Go into schools and show students with disabilities services they can access, what council does and why, and encourage home ownership.
- Proper accessibility in council facilities, with discussions around how to improve (making all council members aware of the DAIP and reading it upon completion)

Question 3:

How can Council promote or encourage the community to promote the rights of people living with disability?

- Use the Human Rights Model of Disability as a frame of reference when undertaking disability-related planning, policy-making and similar. Refer also to the UN Charter on the Rights of Persons with Disability.
- Ensure that any training supplied includes a rights and advocacy (including self-advocacy) component.
- Support local businesses and organisations that demonstrate a clear commitment to access and inclusion.
- Create and distribute material outlining and promoting the rights of people living with disability (e.g., right to education, right to communication, right to community). Empower people with disability, carers, family and friends to know their rights, how and where to lodge complaints, etc.
- Be a leader, and be accountable. Undertake a SWOT analysis of current Council policies, hiring practices, Council buildings, facilities and services to determine how disability-friendly they are. Identify areas in which to improve, consult with and listen to people with lived experience of disability, set measurable goals and commit to meeting them, regularly reviewing progress.
- Support special awareness days such as International day of disability, dementia friendly communities, epilepsy awareness days etc

- Hold advocacy sessions, workshops for self advocacy, and partnerships with organisations mentoring families that are newly diagnosed.
- Kits that educate people in experiencing barriers faced by people with disabilities and their families, lists of guest speakers etc
- Why are people with intellectual disability still routinely segregated or excluded from community services often because their behaviour doesn't match social norms because of their disability. Ie; headspace excludes intellectually disabled young people accessing their psychology services, council youth advisory group is inaccessible, special support avenues needed to access leadership groups.

Theme 2: Leadership and collaboration

Question 4:

How can Council improve and foster participation in decision-making for people living with disability?

- Ensure review processes, consultation times, advisory committees and similar have large timeframes, have multiple ways to participate (e.g., via phone, in-person, group or one-on-one settings, online, via video call, spoken or written submissions), and are advertised broadly.
- Refer to the advocacy principle of 'Nothing about us, without us.' Consciously reach out to people with disability, rather than waiting for them to come to Council. View and include them as a key stakeholder from the beginning of the decision-making process.
- Seek input from groups that are more likely to be excluded, such as people with intellectual disability, people who communicate in alternate ways and people who are housebound.
- Prioritise optimising the ability of people with disability to fulfil their civic roles, such as voting in Council elections.
 - E.g., refer to information on the Australian Electoral Commission and Electoral Commission of SA websites about voting as a person with disability. Explore strategies like training volunteers to provide support on election day and providing relevant information in a variety of formats (such as Easy Read, audible options, captioned video, large font size).
- Realise that some people will be overpassionate because they haven't had the luxury of being heard before.
- Some people don't function in group environments and may face medical barriers as well.

Question 5:

How can Council support and encourage fair leadership representation and raise the profile of people living with disability?

- Create opportunities for people with lived experience to be in leadership positions. –funding for leadership programs (including Limestone Coast Leadership Program but to include people with disability, not just criteria to include staff members)
- Create opportunities for people with lived experience to be in leadership positions, or for personal/professional growth
- Ensuring leadership programs are accessible and inclusive (support for people who can't drive, read, afford, assistance offered for those who will have difficulties engaging in the program)
- Encourage people with disability to run for positions on Council.
- Establish an advisory group of people with lived experience to consult with on issues and policy specific to disability (such as the DAIP).
- Explore the creation of a role at Council (preferably for a person with lived experience of disability) that is dedicated to improving access and inclusion across Council, its services, facilities and events, and coordinating the implementation of the DAIP.

- Ensure leadership programs and opportunities, such as the Youth Advisory Group, are accessible and inclusive.
 - E.g., provide support and assistance for people who can't drive, who may have limited access to technology, or who may have difficulty engaging with the program.
- Watch for negative words like idiot, retard, he/she wouldn't know, who cares about them, weird, loser, special treatment.
- Understand that many disabled people have faced discrimination and trauma from being themselves, be gentle and encouraging. Provide mentorship.
- Making sure that people are not objectified because of their disability. <https://www.youtube.com/watch?v=8K9Gg164Bsw>

Question 6:

How can Council improve and encourage community engagement and consultation for people living with disability?

- Use appropriate language when talking about disability.
- Ensure venues where consultation and community engagement will take place, whether physical or online, are accessible.
 - E.g., make sure websites such as 'Have Your Say' and the City of Mount Gambier website conform to the Web Accessibility Standards.
 - E.g., be mindful of venue layout, wheelchair accessible entrances, location of speakers and noisy areas, lighting, etc. Explore hiring an Auslan interpreter for community consultations and events.
- Develop and maintain a register of people living with disability who would like to be involved in consultation and community engagement.
- Set targets for the involvement of people with lived experience on boards, committees, and advisory groups. Be aware that one individual cannot speak for all people with disability.
- Disability register.
- Pathways to mentorships for carers and disabled people until they find their feet.
- Promotion of people with disabilities in media and materials. In particular, use local images and local people (not generic stock photos)
- Use the Limestone Coast Inclusion Reference Group (or similar groups) regularly and ensure that the council and its consortium are aware of its presence to get feedback for all aspects of Council planning

Theme 3: Accessible communities**Question 7:**

How can Council advocate for universal design across South Australia for people living with disability?

- Establish and maintain a universal design policy that sets out a consistent approach for planning approvals across Council areas and across different zones (e.g., residential, industrial, commercial, etc.).
- Stay up to date with best practice in universal design for physical and online spaces, to ensure optimal access for people with disability in sport, recreational and cultural activities and facilities.
- Create and maintain guidelines for developers and business owners to follow when implementing universal design in new builds and renovations.

- All of the examples provided in theme 3 need to be included. Churches, sporting organisations and community groups can be extremely resistant to supporting families with disabled children and people with disabilities citing behaviour (often more a case of unsafe or inaccessible environments) as a reason to exclude. There are no local advocacy services. There are limited inclusive sports pathways locally as most are competitive sports excluding those that don't "measure up". If people can't read toilet signs symbols should be utilised. Dementia friendly community designed environments and public forums for our growing dementia numbers. Incontinence aids and facilities available for those in need. Support those who are on waiting lists to receive services without hope. Mentorship, buddying programs and peer support groups supported and encouraged.
- "Nothing for us, without us"

Question 8:

How can Council advocate for accessible and available information for people living with disability?

- Lead by example and ensure that information provided by Council is available in multiple formats (e.g., Easy Read, Auslan, pictorial forms, large font, audible options, Braille, captions, VoiceOver and dyslexia-friendly fonts).
- Ensure that there are multiple ways people can receive communications from Council.
- Provide grant funding to local businesses, clubs and organisations to assist with the provision of accessible and available information to people with disability (e.g., website upgrades and reformatting, creation of Easy Read versions, installation of captions on videos).

Question 9:

How can Council provide access to its services for people living with disability?

- Ensure that people with disability can get into the service, can communicate at the service, and ensure workers delivering a given service have been trained in disability awareness.
- Undertake an audit of Council assets, employing people with lived experience of disability to 'road test' them and assess their accessibility. Use the findings to inform the development of a schedule of modifications.
- Include the installation of signage denoting accessible spaces and multimedia devices for people who are deaf, hard of hearing, blind or visually impaired in infrastructure maintenance and upgrade schedules.
 - E.g., installing captions on the films 'Craitbul' and 'Volcano' at the Main Corner.

Theme 4: Learning and employment**Question 10:**

How can Council advocate for better supports within educational and training settings for people living with disability?

- Creating opportunities for school aged work placements with Council
- Have a Council Working group to create a job description for the Diversity/Accessibility Council officer staff member role

- Traineeships offered/apprenticeships increased in a broader range of roles. Have more diversity in opportunities for people to be part of (more than gardening)
- Can Council educate local businesses about making changes within their business setting? In turn, increase revenue/tourism opportunities to the region
- Supporting children with diverse learning needs/abilities – Is there a program during school hours that Council can supply, to help identified students with diverse learning needs? E.G InclusionED (national program) Furthermore, develop partnerships with organisations to deliver this?
- Can Council assist with transporting students of identified cohort at risk to get children to school? Including Tafe/Uni. Ensuring students are supported on the journey (an additional role)
- Funding for training of staff. Ensure training and education is physically, financially, and cognitively accessible
- Fund or find more options for people with disabilities
- Support innovation for existing training organisations. Try getting a person with an intellectual disability into a regular course in this city – be prepared to be shocked at the lack of experience, discrimination and dismissal of people with disabilities. Walk a day in the shoes of someone facing exclusion due to stereotyping and not actual ability.
- Talk with state government about why services are still predominantly provided in the city and how can country people access them?
- When training does come to Mt Gambier it is often missed when no one hears of it as disability services are fragmented and the people who need to hear about it never receive the promotional material. Be that point of contact.

Question 11:

How can Council provide skill development through volunteering and support in navigating the pathway between learning and earning for people living with disability?

- Communication issues – How can we share information to people through the community? Accessible formats.
- Are there partnerships that Council can have with non-for-profits for volunteering opportunities? Current organisations are at capacity with volunteering e.g Foodbank. How can we have insurances to protect individual and support worker/carer in the community? Who pays for this?
- Skill development – training to organisations who know how to be more inclusive when employing staff i.e language, technology, pathways, behaviours. Amending policy to include accessibility in their purchasing of items. (Example: purchasing lawn mowers that can include a larger audience/cohort of people) Stand-up-desk in offices: inclusive practice for a wide range of people
- Council to work with organisations (disability specific/e.g Purple Orange) – Council supporting organisations visiting region/and living in region to get their supports. Forming positive relationships. In-kind donations of spaces/resources owned by Council
- Collaborations with Caroline Menzel (Limestone Coast Volunteer Network Service)
- Create or fund opportunities for the pathway between learning and earning
- Create incentives and education for organisations to get on board with learning to earning for people with disabilities
- Go to the schools, go to support groups, go to Disability Employment Services (DES) providers and listen to people with disabilities.
- Provide brochures that explain services available for those that face new diagnosis or traumatic disabling events.
- There are still a lack of pathways for students with disability in schools. There are state transition schools for students with disabilities – in Adelaide. Parents and teachers don't know where to turn. Employable people with disabilities are churned out of schools to sit on disability pensions or earn \$2 p/hr in ADEs or subminimum wages. Why?

Question 12:

How can Council promote or advocate for better access to employment opportunities and better support within workplaces for people living with disability?

- Council to have roles specific to people with disability
- Council to support (local individuals) the development /person with disability to create their own training based business where they deliver training on accessibility, inclusion, disability to organisation including Council. Fund trainings for workplaces
- Council to have working group to include community stakeholders, range of people with lived experience, disability to create a training package, to be used by local organisations. Financial reimbursement to participants of this group to acknowledge their contributions.
- Employing people in roles specific to disability/inclusion/accessibility. Giving people the means for individual to do their job. Council to hire a Rural Access Officer or similar role.
- Council to provide grants to local businesses who make their premises more accessible. (If businesses have proposal to make changes to their building, they may be able to get this partly subsidised to carry out/incentivise the changes.)
- Working with existing employed people with disabilities and seeking their experiences.
- Actively discovering the physical and attitudinal barriers employers and education providers have towards employing people with disabilities. Just because someone can't read or communicate in a traditional way doesn't mean they have nothing to say or input into their work situation.
- When employing people with disabilities look at why job roles descriptions exclude strengths that people with disabilities often have in favour of people that have had traditional education and experiences. People with disabilities have more options than trolley collecting and lower than minimum wage and should have opportunities in the workforce for recognition and promotion and access to employee services and supports.
- Flexible job design (more opportunities for people with disabilities)
- Create or fund upskilling opportunities in and out of workplaces
- Council to promote workforce diversity, committing to recruiting and retaining a greater proportion of staff with disability. Set measurable goals and regularly check in with progress.

15.7 LOCAL ROADS AND COMMUNITY INFRASTRUCTURE FUND – REPORT NO. AR20/55887

Committee:	Economic and Environment Committee
Meeting Date:	7 September 2020
Report No.:	AR20/55887
CM9 Reference:	AF19/412
Author:	Andrew Meddle, Chief Executive Officer
Authoriser:	Andrew Meddle, Chief Executive Officer
Summary:	A report seeking a decision of Council as to the project on which the Local Roads and Community Infrastructure Fund grant should be spent.
Community Plan Reference:	Goal 3: Our Diverse Economy Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage

REPORT RECOMMENDATION

1. That Economic and Environment Committee Report No. AR20/55887 titled 'Local Roads and Community Infrastructure Fund' as presented on 07 September 2020 be noted.
2. That Council agree to use the Local Roads and Community Infrastructure Fund to replace all appropriate streetlights (that are the responsibility of the Council) with LED smart streetlights in the 2020/2021 municipal year at an approximate value of \$1m.
3. That the Chief Executive Officer be instructed to provide the necessary information to the Federal Government to enable the Local Roads and Community Infrastructure Fund to be used for this purpose.

BACKGROUND

Council received a report on this matter to the Council meeting on 16 June 2020, via the People and Place Committee on 1 June 2020. At this time the matter was resolved to move forward to a briefing, which took place on 23 June 2020. At the briefing Elected Members were asked to provide details of any projects to be considered under the Local Roads and Community Infrastructure (LRCI) Fund to the Chief Executive Officer by 13 July 2020. No submissions were received.

In the absence of any alternative suggestions, it is proposed to value add the LED smart lighting project, which will cost in the order of \$1m, with \$487k from the LRCI Fund. This investment is expected to save in the order of \$200k per annum in operating costs.

DISCUSSION

Council received a report on 18 April 2017 recommending Council enter into a long term contract with SA Power Networks (SAPN) for the replacement of 2,351 high intensity discharge (HID) street lights with LED luminaires. Council did not support the recommendation due to the requirement to enter into a long term contract with SAPN and concurrent work being undertaken by the LGA with the intention of allowing Council's to maintain street lights mounted on SAPN infrastructure in our own right at a significantly reduced cost as compared to SAPN.

The LGA drive to allow third party access to maintain equipment mounted on SAPN infrastructure has now been completed with the outcome being that third party access is not allowed. However, the provision of street lighting operation and maintenance (tariff charges) will be a service regulated by the Australian Energy Regulator (AER) from 1 July 2020.

The regulation by the AER from 1 July 2020 of the charges allowed by SAPN for the provision of street lighting operation and maintenance presents the opportunity for Council to consider the replacement of the 2,351 HID street lights with LED luminaires without the need to commit to a long term contract with SAPN.

Councillors Amoroso and Jenner, together with the General Manager – City Infrastructure, have represented the Council on this statewide initiative.

The cost to Council of providing 2,351 street lights on the roads classified as “P” lighting areas (this does not cover major roads the majority of which are managed by DPTI) is shown in the table below.

Year	Tariff Costs	Energy Costs	Total
	<i>SA Power Networks</i>	<i>Origin Energy (now Infigen Energy)</i>	
2019/2020	\$207,366.05	\$202,201.98	\$409,568.03
2018/2019	\$242,741.30	\$240,988.74	\$483,730.04
2017/2018	\$218,508.80	\$267,038.68	\$485,547.48

Council now has the opportunity to replace some or all 2,351 fluorescent street lights with smart LED luminaires at a total cost of \$1M and receive the benefit of reducing the annual cost to operate and maintain the street lights by \$200k per annum (made up of \$160k per annum reduced energy charges and \$40k per annum reduced tariff charges). This represents an approximate five year payback for the project at current rates / prices.

The replacement of the street lights with smart LED luminaires will result in the following benefits in addition to the annual cost savings detailed above:

- LEDs are more Energy efficient. An 80W Mercury Vapour luminaire is rated at 95.8W. The standard 14W Street-LED is rated at only 17W. Council's energy consumption and carbon footprint would therefore be considerably reduced;
- LEDs have a longer expected life than high intensity discharge (HID) lamps. This means that the incidence of reported Street Lights Out should reduce. This will reduce operating costs;

- LEDs have a lower lumen depreciation than HID lamps. This means that approaching the end of life a LED output is higher than that of a HID lamp;
- Disposal and/or recycling or refurbishment of LED luminaires will be more efficient than disposal of lamps containing higher levels of mercury;
- LED luminaires are smart ready. That is, they can facilitate control systems such as remote reporting (of parameters such as temperature, noise and air quality), control and dimming, should it be required;
- A variety of existing luminaire and lamp combinations can be replaced with one LED type, with white light, which is the preferred option for P category (minor road) installations; and
- Some HID light sources (e.g. Low-Pressure Sodium lamps and Mercury Vapour lamps) are no longer available. This requires the replacement of whole luminaires with an alternative replacement. LEDs meet this need.

If approved by Council, Council Officers would procure the required number of smart ready LED luminaires in accordance with Council's procurement policies and would contract SAPN to install the luminaires on their infrastructure.

CONCLUSION

That given the operating savings and the ability to use this once off grant opportunity, that Council invest in LED smart streetlighting across the city, at an approximate cost of \$1m, of which \$487k will be funded from the LRCL.

15.8 REQUEST FOR SPONSORSHIP FOR THE COUNTRY MUSIC ACADEMY – REPORT NO. AR20/58191

Committee:	Economic and Environment Committee
Meeting Date:	7 September 2020
Report No.:	AR20/58191
CM9 Reference:	AF19/412
Author:	Andrew Meddle, Chief Executive Officer
Authoriser:	Andrew Meddle, Chief Executive Officer
Summary:	Provide a short summary of your report
Strategic Plan Reference:	Goal 1: Our People Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage Goal 5: Our Commitment

REPORT RECOMMENDATION

1. That Economic and Environment Committee Report No. AR20/58191 titled 'Request for Sponsorship for the Country Music Academy' as presented on 07 September 2020 be noted.
2. That Council fund a Local Government Scholarship for the Country Music Academy at a total value of \$3,500 for 2020/2021.

BACKGROUND

The Council has received a request for sponsorship from the Country Music Academy and Tamworth Regional Council, seeking a financial contribution to part fund or wholly fund a Local Government Scholarship. The letter can be found as **Attachment 1**.

DISCUSSION

The letter seeks sponsorship in light of recent successful participation from someone in our city, together with a philanthropic push for the Council to support something providing opportunities for potential top class musicians. Given the city's relationship with jazz and our own unique offering, it is considered that this once off request be considered by Council.

The letter requests that the city support either a \$1,000 part scholarship or \$3,500 full scholarship and the Council would then be recognised as a 'Major Donor'.

CONCLUSION

Council have the opportunity to support another regional city in the creation of musical opportunity for a limited outlay, together with recognition of its generosity.

Dear General Manager/CEO

COUNTRY MUSIC ACADEMY – LOCAL GOVERNMENT SCHOLARSHIP PROGRAM

Ref: nh/PB/329478

Tamworth is well known as the Home of Country Music in Australia and has been the launching pad for many country music artists over the years either through the Star Maker Competition or through participation in the highly regarded Academy of Country Music.

The Academy of Country Music, founded in 1997, remains unique in the world of music and has trained and mentored over 800 young writers and performers from every corner of Australia. In fact, the Academy has hosted one or more participants from your very own Local Government Area at some point over the past 10 years.

Hence my letter to you today on behalf of The Academy of Country Music to seek your support to ensure the survival of this unique and valuable program that provides an opportunity for our junior and senior country music artists to develop their skills and pursue their dreams. The students gather in January (Senior Academy) and July (Junior Academy) to attend a one or two-week residential course immediately prior to the annual major Tamworth Country Music Festival and Hats Off Festival. The 29 selected students are tutored by award-winning, professional artists and through the workshops, lectures, mentoring and performance opportunities they gain the opportunity to embark on successful careers in the country music industry. Junior students attend with a parent/carer who participate in a special course of lectures in recognition of the role they play in supporting and guiding the career of young performers.

Many of the Junior graduates have gone on to attend the Senior program, and the alumni have achieved significant and sustained success in the genre's Golden Guitar Awards and recognition in the broader industry with multiple ARIA nominations and awards. They regularly feature as finalists and winners of major talent searches across the country, with 15 of the last 22 Star Maker winners being Academy graduates. They also participate in significant numbers in national television programs such as Australia's Got Talent, X-Factor and The Voice which 2017 graduate Judah Kelly won in 2018.

The ranks of our most successful country music performers include a large number of Junior and Senior graduates - Sara Storer, The McClymonts, Judah Kelly, Caitlyn Shadbolt, Jessica Mauboy, Lyn Bowtell, The Sunny Cowgirls, Ashleigh Dallas, Travis Collins, Imogen Clark, The Davidson Brothers, Melanie Dyer, Amber Lawrence and Drew McAlister among them.

All correspondence should be addressed to the General Manager:

The Academy, like most activities in the music/performance industry, has been severely impacted by the events of 2020 with many individuals, families and businesses struggling with the financial hardship of fire, floods, drought and COVID-19. As a result, we are attempting to establish a **Local Government Scholarship Program** to assist those talented young and emerging artists that are suffering hardship to still attend the Academy in 2021.

A small contribution of between \$1,000 (part scholarship) and \$3,500 (full scholarship) from your Council and/or community would make a huge difference to the survival of the Academy and the support of the industry within your region and across Australia. Your contribution would recognise and acknowledge the fact that APRA (Australasian Performing Right Association) reports that of its 100,000 songwriter members, 14% identify as 'country' writers and, based on their national postcode analysis, a significant number of those are located in your region. Your Council would be formally recognised as a 'Major Donor' for its support of the Scholarship through promotional material and events associated with the Country Music Association of Australia (CMAA). The Academy also employs a designated publicity officer who would work with your local publicity officers to ensure a regular flow of 'good news' stories.

We realise that all communities are experiencing increased calls on their resources at this time, as are the young performers and their families who would in 'normal times' utilise their own resources to attend the Academy.

Thanks in advance for your consideration, and please feel free to contact either myself or Dobe Newton (President of the CMAA) if you need any further information or have any question.

Yours faithfully

Paul Bennett
