3 CONFIRMATION OF MINUTES

Regional Sport and Recreation Centre Committee Meeting - 6 May 2019

RECOMMENDATION

That the minutes of the Regional Sport and Recreation Centre Committee meeting held on 6 May 2019 be confirmed as an accurate record of the proceedings of the meeting.

4 QUESTIONS WITHOUT NOTICE

5 REPORTS

5.1 COMMUNITY AND RECREATION HUB - STRATEGIC ALIGNMENT TENNIS SA - REPORT NO. AR19/31149

Committee:	Regional Sport and Recreation Centre Committee
Meeting Date:	1 July 2019
Report No.:	AR19/31149
CM9 Reference:	AF18/175
Author:	Judy Nagy, General Manager City Growth
Authoriser:	Andrew Meddle, Chief Executive Officer
Summary:	This report presents a proposal from Tennis SA / Tennis Australia to include the refurbishment of the Olympic Park Tennis Courts and Lighting as optional components in the tender specification for the Recreation Hub.
Community Plan Reference:	Goal 1: Our People
	Goal 2: Our Location
	Goal 3: Our Diverse Economy
	Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage

REPORT RECOMMENDATION

1. That Regional Sport and Recreation Centre Committee Report No. AR19/31149 titled 'Community and Recreation Hub - Strategic alignment Tennis SA ' as presented on 01 July 2019 be noted.
2. That Council accommodate the request from Tennis SA / Tennis Australia to include the Olympic Park Tennis Court and Lighting Refurbishment into the tender specification for the Recreation Hub as an optional item, subject to the provision of relevant detailed specifications to Council including in-kind professional and intellectual support.
3. That a further report be presented to Council to consider the tender costings received for the Tennis Refurbishment items, together with funding commitments from Tennis before committing to any associated tender components and funding toward the proposed works.

BACKGROUND

The Community and Recreation Hub has successfully secured Federal and State Government funding in part because of the qualitative and quantitative benefits that were proposed for sporting groups, aquatics and community health and wellbeing. In addition to the broad merits of the project there may be additional benefits to be secured from bringing large scale state or national entities to the region for construction activities.

In particular, ongoing discussions with Tennis SA has resulted in a proposal to lever from the anticipated Council tender for construction to include an optional additional refurbishment of the adjacent tennis courts. A larger proposal for refurbishment has been recently supported by Council in November 2017 and while Tennis SA has not yet been successful in securing funding and Council has no funding commitment to the refurbishment at present, attempting to secure cost advantages for a modified program of refurbishment will involve no cost to Council and may provide a significant advantage for the strategic plans of Tennis SA.

Representatives of Tennis SA and Tennis Australia met with General Manager City Growth and Manager Executive Administration on 18 June 2019 recognising that the new Community and Recreation Hub has significantly changed the landscape and site opportunities since the time of the previous proposal. They are seeking to work collaboratively to secure a shared solution for a community asset, whilst understanding that an optional addition to contract specifications provides no guarantees of funding from Council. Tennis SA is seeking to lever from current developments to provide information with which to secure funding based on a site consolidation plan.

DISCUSSION

From 2012 to 2017 continued efforts toward the resurrection of Olympic Park have been progressed by the peak tennis bodies, Tennis SA and Tennis Australia, and over time presented in many different forums ranging from the Mount Gambier and District Tennis Association (MGDTA), the local community, District Council of Grant and the City of Mount Gambier.

The "*Mount Gambier and District Tennis Strategy*" was prepared by Tennis SA with the support of the MGDTA, the City of Mount Gambier and Tennis Australia in November 2016. This document identified the potential future demand for tennis across the region, reviews of the current network of tennis facilities, management and use, and future infrastructure requirements.

The progression of this strategy has led to a group of three clubs (Centrals, Mil Lel and Uniting Church) committing to an in-principle expression of interest to form a single body with the view of making Olympic Park their new home.

A proposal to upgrade the Olympic Park tennis courts was presented to the City of Mount Gambier during a workshop in March 2017 with an "in-principle" commitment given by the City of Mount Gambier in November 2017 to fund \$400,000 (ex GST) on the condition that other funding be secured for the full remaining cost of the project.

The Council resolution in the report was as follows;

13.3 Olympic Park Tennis Proposal - Report No. AR17/43678

- (a) That Strategic Standing Committee Report No. AR17/43678 titled '*Olympic Park Tennis Proposal*' as presented to the Strategic Standing Committee on 13 November 2017 be noted.
- (b) That Council commits a \$400,000 financial contribution toward the Olympic Park Tennis Redevelopment Proposal to be funded from Council's Cash Advance Debenture facility and/or capital budget over the 2018/2019 and/or 2019/2020 financial years conditional upon the proponents securing full funding commitments for the estimated \$1,200,000 proposal.

- (c) The Chief Executive Officer and Mayor be authorised to negotiate and execute funding, development and land tenure agreements for the proposed development of the Olympic Park Tennis Facilities.

This 2017 proposal has not yet been successful in securing funding and with significant sport funding being allocated to the Hub project by the State Government, Tennis SA is hoping to benefit from efficiencies that may be gained via a site integration perspective.

The following represents the details of discussions held with Lynton Franzi - Manager Major Projects Tennis Australia, and Brett Hidson – Manager Venues and Government Relations Tennis SA at the meeting held on 18 June 2018.

In light of the commitment to the Community and Recreational Hub, it is proposed that the following high level Tennis Upgrade scope be included in the construction tender for the overall Community and Recreation Hub precinct.

- Reconstruction and realignment of the courts to deliver 10 tennis courts
- Replace and repair the required fencing to deliver black powder coated poles with black PVC chain-wire fencing around and within the facility
- Re-establish court lighting using latest LED lighting technology

Tennis Australia and Tennis SA are prepared to offer in kind professional and intellectual support to determine operational considerations of the potential integration with the project and to prepare the necessary specifications for a tender proposal.

Tennis Australia, through the National Court Rebate, provide financial contributions to infrastructure projects of significance to tennis, in particular projects that will enhance the opportunities for community wellbeing through tennis participation. Tennis Australia currently has seed funding of \$100,000 assigned for this venue should commitment to construction for the Tennis Upgrade be confirmed. The Tennis Upgrade meets the objectives of the Rebate and the *Tennis SA Places to Play Strategic Plan 2019-2022*.

Tennis SA, from 2019/20, following a restructure of the 'Participation' department, will include dedicated staff to service the region by way of a Regional Participation Manager, a Clubs Development Officer and a Schools Development Officer. These positions are expected to be based within the region, making local connections more frequent, which will deliver a greater presence on the current servicing which is currently centrally located in Adelaide.

Tennis SA is negotiating with the Limestone Coast Regional Sports Academy (LCRSA) to introduce a Tennis Program for local elite tennis players to achieve their aspirations. Olympic Park, with a refurbished tennis facility co-located with the Community and Recreation Hub is the logical base for this program.

Predicated on a Olympic Park tennis upgrade:

- A LCRSA Tennis Program will initiate more visits by elite coaches from Adelaide (currently occurring 3 times annually).
- The SA branch of the National Academy will plan visits to Mount Gambier for annual camps
- A wider range of tennis and multi-sport events that include tennis will be available (potential events noted below)

Potential Events

A Tennis Upgrade will allow for the return of tennis events that attract high participant and visitor numbers, including junior and veteran (seniors) tournaments of national, state and regional significance are certainly available through Tennis SA. Likewise, complementary tennis courts to the Community and Recreation Hub will place the city in prime position for multi-sports events such as Masters Games.

Olympic Park and the City of Mount Gambier was host to international ProTour tennis events, the Blue Lake International, for over 20 years, which concluded after the 2011 event as the courts deteriorated to an unacceptable level. Players of the ilk of Alicia Molik, Casey Dellaqua and 2019 French Open Champion Ash Barty, played in this event.

Along with the potential to again host a ProTour event, the precinct would be suitable for other notable international events such as Junior Davis and Fed Cups and elite training camps.

In addition the proposal has the endorsement of the Limestone Coast Regional Sporting Academy (LCRSA) who is partnering with Tennis SA to have a skill based Tennis program in the Academy. Tony Elletson noted that:

This program will provide talented tennis players (13-18yo) with high level skill based sessions that will enhance their abilities. The goal is to provide the opportunity through skill development and a clear pathway to the elite level of the sport. This program would engage a coach who would ideally be based locally and would need to use facilities that are at the expected level required for state, national and international level players. Currently we do not have this type of facility, in Mount Gambier. If the proposed tennis upgrade was included in the Recreation Hub build, it would mean the Academy could look to base itself at this facility and would use it on a weekly basis throughout the year. The Academy athletes would look to use the pool facility and potentially the gym areas of the Hub as part of their physical based programs going forward also. The LCRSA is excited about adding an official Tennis SA program to the Academy and believes the upgrade of the Olympic Park Tennis Facilities is vital to providing the elite level standard of programs expected by our athletes.

CONCLUSION

Leveraging from the largest infrastructure project Council has undertaken for the benefit of another key sporting group in the region is a further illustration of how Council could provide multiple outcomes from resources committed to the project.

This report recommends that Council support the request from Tennis SA / Tennis Australia to include the Olympic Park Tennis Court and Lighting Refurbishment into the tender specification for the Recreation Hub as an optional item, subject to their provision of relevant detailed specifications and including in-kind professional and intellectual support.

In supporting this proposal Council should note that inclusion of the tennis refurbishment as an optional component in the tender specification for the Recreation Hub will not commit Council to funding or progressing these works. A further report would be presented for Council to consider the costings received and any funding commitment from Tennis to support this component of works, as long as such works can be delivered in a timeframe consistent with that anticipated for the hub.

5.2 COMMUNITY AND RECREATION HUB - PROJECT UPDATE – REPORT NO. AR19/32781

Committee:	Regional Sport and Recreation Centre Committee
Meeting Date:	1 July 2019
Report No.:	AR19/32781
CM9 Reference:	AF18/175
Author:	Heidi Gajic, Community Development and Engagement Officer
Authoriser:	Barbara Cernovskis, General Manager Community Wellbeing
Summary:	A brief summary of significant items that have been progressed for the Community and Recreation Hub since last meeting.
Community Plan Reference:	Goal 1: Our People
	Goal 2: Our Location
	Goal 3: Our Diverse Economy
	Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage

REPORT RECOMMENDATION

1. That Regional Sport and Recreation Centre Committee Report No. AR19/32781 titled 'Community and Recreation Hub - Project Update' as presented on 01 July 2019 be noted.

BACKGROUND

This report will be presented each meeting of the Regional Sport and Recreation Centre Committee as a general summary of key items that have been progressed since the previous meeting.

DISCUSSION

Item	Actions	Status / Outcomes
Project / Contract Superintendent	Tender closed 26 June 2019	Currently being evaluated.
Architects Visit 24 June 2019	Aquatics Facilities 25m Pool Options	Investigated the pool standards required for the various levels of competition from the various Swimming bodies including FINA, Swimming Australia and the state swimming associations. Engaged with Swimming SA to establish the required standards for the 25m pool to host regional level competitions. Swimming SA obtained agreement to these standards from Swimming VIC.
	Waterplay Structures	Two options were recommended. The final decision will be part of the tender requirements.
	Concrete or Stainless Steel Pool	The Myrtha pool structure is the preferred option however specifications for both Myrtha and concrete pool structures will be included in the tender in the interests of securing a value for money option.
	Commercial Kitchen	Usage, flexibility and need determine the requirement of two kitchens. The design will reflect this need.
	Sports Court Surfaces	Based on market feedback on the two flooring options that meet the required FIBA standards, Neoshok is the recommended option.
Pre works	Geotechnical Survey	Consultants were onsite at Olympic park 17-20 June undertaking a geotechnical study in preparation for the completion of the detailed design.

Stakeholder Engagement	<p>Engagement with stakeholders including residents, businesses and organisations within the immediate surrounds of the new Community and Recreation Hub area.</p> <p>Provide stakeholders with an update on the project and identify their preferred method for future communications.</p> <p>Continued regular engagement will be established with these stakeholder groups throughout the construction and opening of the facility, informing them of potential changes to the area that may impact them and providing them with a direct contact at Council to answer any queries.</p>	<p>Meetings with organisations located directly adjacent to the site have continued.</p> <p>Preparations are being made for the first Community and Recreation Hub newsletter to be distributed in July.</p>
Federal Government - Regional Growth Fund Grant	Milestone Report 1	Milestone report 1 is due by 29 July 2019.
See you at ____? Community Engagement for name of the Community and Recreation Hub	<p>Council is seeking input from the community to guide the decision for a name for the new facility.</p> <p>Up to 5 appropriate names will be selected to go to a community vote.</p>	<p>Opened 22 May 2019 Closed 23 June 2019</p> <p>Promoted through social media, radio, weekly advertisements in the Border Watch and Lifestyle 1 and direct email.</p> <p>Report submitted to the Regional Sport and Recreation Centre Committee for consideration.</p>
Development application	Development application for planning approval.	DesignInc are working with the Manager Development Services on submission of the development application.
Tennis SA	Proposal	Tennis SA proposal submitted to the Regional Sport and Recreation Centre Committee for consideration.

CONCLUSION

Timelines at this stage of the implementation phase are currently on track to meet key milestones.

5.3 COMMUNITY AND RECREATION HUB - NAME CONSULTATION – REPORT NO. AR19/32853

Committee:	Regional Sport and Recreation Centre Committee
Meeting Date:	1 July 2019
Report No.:	AR19/32853
CM9 Reference:	AF18/175
Author:	Heidi Gajic, Community Development and Engagement Officer
Authoriser:	Barbara Cernovskis, General Manager Community Wellbeing
Summary:	Name submissions for the Community and Recreation Hub be reviewed for possible selection of (up to) 5 appropriate names to be presented to Council for endorsement and put for community vote.
Community Plan Reference:	Goal 1: Our People Goal 2: Our Location Goal 3: Our Diverse Economy Goal 4: Our Climate, Natural Resources, Arts, Culture and Heritage

REPORT RECOMMENDATION

1. That Regional Sport and Recreation Centre Committee Report No. AR19/32853 titled 'Community and Recreation Hub - Name Consultation' as presented on 01 July 2019 be noted.
2. That the following names be presented to Council for endorsement and put to community vote:
 -
 -
 -
 -
 -
3. To be determined at meeting.

BACKGROUND

As the most significant recreational facility in our region with state-of-the-art aquatic, fitness, sports, cultural, youth, café and crèche facilities it is important that the facility have a name and brand that reflects the aspirations of the community for the facility to be a place that people want to visit, experience and return to.

At the Council meeting on 21 May 2019, Council resolved to undertake a four week engagement program to invite the community to submit their ideas for a name of the new facility.

DISCUSSION

Community consultation commenced on Wednesday 22 May 2019 and concluded Sunday 23 June 2019, incorporating a feedback period of 33 days.

The consultation was promoted through:

- Media release to all local channels and outlets on 22 May 2019.
- ¼ page advertisements in The Border Watch on 24 May, 28 May, 5 June, 13 June and 21 June 2019
- ¼ page advertisements in Lifestyle1 on 29 May, 5 June, 12 June and 19 June 2019.
- Weekly affairs column in The Border Watch on 29 May, 5 June, 12 June and 19 June 2019.
- Social Media (Twitter, Facebook and Instagram channels) through 10 individual posts achieving a combined reach/following of 1 users.
- Have Your Say Web Site newsletter to 625 subscribers.
- Direct email to Mount Gambier schools and Community Reference Group with follow up action.
- Bunganditj Naming – Burrundies Aboriginal Corporation with follow up action.

The following table provides an overview of the consultation activity.

Members of the community were invited to submit ideas for the name of the Community and Recreation Hub by completing a feedback form available at:

- Online at Have Your Say Mount Gambier – www.haveyoursaymountgambier.com.au/CaRH
- The Civic Centre, 10 Watson Terrace
- The Library, 6 Watson Terrace
- The Maincorner Complex, 1 Bay Road.

The consultation period resulted in the following awareness and participation:

Have Your Say

- 366 visits to the Have Your Say Community and Recreation Hub page from 298 different visitors
- 103 visitors to the See you at _____? feedback form
- 40 feedback form submissions from 35 contributors

Other

- 22 submissions via collection boxes
- 3 email submissions

The consultation period and awareness raising activities of Council resulted in 65 submissions that are attached (Attachment 1) for review against the following criteria:

- They communicate something meaningful,
- They are distinctive, easy to remember, say and spell;
- They can be future oriented e.g. positioned for growth, change and success;
- They are representative of the community and broader region;
- They are reflective of the ancient or modern history of the site or region;
- The name does not represent an individual community member;
- The name is visual i.e. will lend itself to graphic presentation in a logo, in text and in brand architecture.

A number of names submitted are referenced as Aboriginal names however do not appear in the Bunganditj dictionary that represents the Boandik language of the traditional owners of the land. It is therefore recommended that selection of any of these names be validated by the Bunganditj Language Reclamation Committee before proceeding to community vote.

Key themes and ideas from the community to guide the process of developing a brand proposal have not been conclusive and the following generalised categories are presented for further discussion:

Place - natural environment
Historical
Boandik
Activity focused
Other

CONCLUSION

Given the relatively low response Council could consider revisiting naming of the site at a later date when activity and construction at the site has commenced giving visibility and interest which may improve the response rate.

1. Community and Recreation Hub - Naming Submissions [↓](#)

COMMUNITY AND RECREATION HUB

Naming Engagement Submissions

Opened: 22 May 2019

Closed: 23 June 2019

Total submissions: 65

Selection of up to 5 appropriate names will be against the following qualities:

- They communicate something meaningful,
- They are distinctive, easy to remember, say and spell;
- They can be future oriented e.g. positioned for growth, change and success;
- They are representative of the community and broader region;
- They are reflective of the ancient or modern history of the site or region;
- The name does not represent an individual community member;
- The name is visual i.e. will lend itself to graphic presentation in a logo, in text and in brand architecture.

What is your idea for the name of the facility?	What does this represent?	Ineligible	Shortlisted
ASSEC - All Seasons Sports & Entertainment Centre			
The Shed - The Sports, Health and Entertainment Depot			
The Hub	THE HUB is obvious.		
CHAR - Community Hub And Recreation			
REX – Recreation Experience	Recreation Experience - incorporates sport, concerts, swimming.		
Rec	Recreation Hall		
The Rec	In keeping with The Main and The Rail Lands. "See you at The Rec" sounds good!		
The Rec	I think it sounds cool and it's inclusive to the whole region, not just Mount Gambier. It's short and sweet and easy to remember.		
The Rec Centre	Easy and catchy		
RASH - Recreation All Seasons Hub			
RASH - Recreation, Aquatic and Sports Hub			
The Sports Centre			
The Sports Resort	Easy to say and remember. It is a magnificent building, just like a resort.		
Aquaplay	Aqua represents water – play represents sports		
The Pool	Pool of water, pool of activity, pool of community, pool of recreation		

COMMUNITY AND RECREATION HUB

What is your idea for the name of the facility?	What does this represent?	Ineligible	Shortlisted
ARCC – Aquatic and Recreation Community Centre			
H2O Fitness Zone	H2O represents water - the Blue Lake, the Valley Lake, as well as the water we use for recreation and sports. Fitness Zone - represents all sports in the facility, not just the swimming pool or a gym.		
The Ripple	The Ripple represents the benefits to Mount Gambier's community of the recreation centre and the ripple effect of being physically active which leads to a healthy life style. The name could also link to the town's tourist attraction of the Blue Lake as water can ripple or the wet weather the limestone coast is renowned from. Having different meanings allows the name to relate to the tourist and residents of Mount Gambier which highlights the uniqueness of the city that is gain much more than just a recreational centre.		
SPLASH – Sport Leisure Aquatic S(social/sensory/?) Hub	See you at SPLASH!		
Splash, Play, Gather	All the options of activities available.		
The Blue	It keeps with the theme around water and the colour Blue in our city ie The Blue lake, Little Blue, Blue Lemonade, Blue Lake Circuit		

COMMUNITY AND RECREATION HUB

What is your idea for the name of the facility?	What does this represent?	Ineligible	Shortlisted
The Blue Zone	Blue stands for our identity as a town and region - the Blue Lake, for instance, but also blue is a colour that is often associated with water - again, the Blue Lake, but also the water we use in our everyday recreational activities. Zone = a special place, conveys an idea choice, not just one activity is offered, but many are. "To be in the zone" means to be focused, to be happy. If I am in the zone, I know what I am doing, I am confident, I am here for the right reasons.		
BLASÉ - Blue Lake Aquatic Sports and Entertainment			
BLAC - Blue Lake Sports and Aquatic Centre	The Blue Lake Sports and Aquatic Centre represents: community ownership; the ancient and modern history of the site; visual ease as an acronym, and for graphic representation and architectural design, utilising Mt. Gambier's most famous and iconic asset.		
Blue Lake Recreation Centre			
Blue Lake City Centre	It represents Mt Gambier and the blue lake a Mt Gambier icon.		
Blue Lake Fitness	Blue Lake represents our region, Fitness represents the essence of the facility.		
LRC - The Lakes Recreation Centre	Mount Gambier is famous for "The Lake", being the Blue Lake and also the Valley Lakes and the new recreation centre/hub is located not very far from either.		
Lake City Rec Centre	Our numerous lakes, that we're a city not a town and it's to be our centre for recreational activities		
The Caldera	Reference to the Blue Lake		
Punch Bowl Sports Aquatic Centre	Punch Bowl refers to the meteorite holes in Mount Gambier O'Halloran Tce, Boandik Terrace and Valley Lake		
Punch Bowl Community Centre			

COMMUNITY AND RECREATION HUB

What is your idea for the name of the facility?	What does this represent?	Ineligible	Shortlisted
O'Halloran Park Community Hub	It's location. It honours Olympic Park, it's for community and it will be a busy hub of activity		
Margaret O'Halloran Community and Recreation Centre	Margaret (Margaret Street) O'Halloran (O'Halloran Terrace) street names. And being a Community and Recreation Centre.		
Olympic Leisure Centre	Represents the original name of the property, and still encompasses the other existing sporting facilities at the property. It also represents the property as a centre or a 'hub' for anything leisure related, be it sport or recreation or health.		
Olympus	Tribute to Olympic Park		
Olympic Park Sports Centre	I think the name of "OLYMPIC PARK" should be retained in the name as the area has always been known as that in my time which is many years and it was originally the Mount Gambier Show Grounds. I feel the name should be kept just adding Sports Centre to it.		
Olympic Park Centre	A well-known location. The area is already known as Olympic park and using a different name will only create confusion.		
Olympic Park Sports Centre or Olympic Sports Centre	The existing name which is widely known in the city and district. Olympic relates to the Olympic Games which is the highest level and goal of athletes competing in a wide range of sports		
The MARC - Mount Aquatic and Recreation Centre	This covers all future sports and recreation that would be played there.		

COMMUNITY AND RECREATION HUB

What is your idea for the name of the facility?	What does this represent?	Ineligible	Shortlisted
The Mount Gambier CoRe	CoRe is an acronym for Community and Recreation. As a word however, Core connotes much more. It means centre, hub, heart. It goes to community, lifestyle, and to the individual. It provides destination, and connotes steadfastness, and an anchor of spirit and commitment; somewhere from where new projects and the future can grow. CoRe, is also an excellent mnemonic, easy to remember, clever and importantly unashamedly derivative. CoRe. A name worthy of the heart of the community.		
MRC – Mount Recreation Centre			
Mount Gambier Regional ComRec Centre			
The G Hive – The Gambier Hive	A place to meet, work etc.		
Gambier Watermain Complex	It represents 1. Name of our town 2. Water - Swimming and Recreation 3. Main - Number one 4. Complex - Multiple Facilities		
Limestone Coast Iconic Hub			
LCLC - Limestone Coast Leisure Centre	This name represents the whole region surrounding Mount Gambier. It is easy to say and I believe 'Leisure Centre' suits its purpose because people will be partaking in leisure while they are there.		
LASSE - Limestone All Seasons Sports and Entertainment			
LAVA Limestone Aquatics Village Arena Limestone Aquatics/Sporting Village Arena Limestone Aquatics/Sporting Vicinity for Amusements Limestone Aquatics/Sporting Vicinity for Activities	Mount Gambier's volcanic history		
SEDARC - South East District Aquatic & Recreation Centre			
Admella Centre	Shipwreck		
Champion	Mount Gambier is a champion place to live		

COMMUNITY AND RECREATION HUB

What is your idea for the name of the facility?	What does this represent?	Ineligible	Shortlisted
Everest	Achievement		
The Nexus	A connection or series of connections – a central focal point		
Nexus, The Nexus Centre, The Nexus,	Latin for "ties or binds together" Which is what the development will do, bring people together.		
Nucleus	This name represents the centre of the community, A place we are all connected too and a place we are all welcome. I believe it is a modern name for a modern complex, that represents growth and life while still keeping the ties to our origins. The logo/graphic representation possibilities are endless with this name and would not be difficult to design.		
SPACE – Sport People Art Community Events			
Percy Penguin's Palace	Basketball Mascot		
Sturt Centre	After the founder of Mount Gambier Evelyn Pitfield Shirley Sturt		
Laurie and Watson	The Border Watch		
Fiddler and Webb			
McShanes Memorial			
Marks Monstrosity			
Allan Scott Sports Complex	Allan Scott contributed so much to the City and the South East by way of his Mount Gambier and National Business Interests, community service (council), support and sponsorship of numerous sport and charitable entities. So many people and businesses benefited greatly from Allan's fierce loyalty to his Mount Gambier, so naming this Facility after Allan Scott would be a fitting legacy to his contribution to the City.		
Boandik Centre	It represents Mount Gambier's and the Limestone Coast's connection to Aboriginal and Torres Strait Islander peoples, past, present and future.		

COMMUNITY AND RECREATION HUB

What is your idea for the name of the facility?	What does this represent?	Ineligible	Shortlisted
BSAC - Boandik Sports and Aquatic Centre	The Boandik Sports and Aquatic Centre represents: community ownership; the ancient history and traditional owners of the site and region; visual ease as an acronym, as well as its ties to Aboriginal culture like the internationally award-winning Uluru Cultural Centre.		
MEELAH	Aboriginal for water place Reference to Charlie Miller		
Gambier Barmah	Aboriginal for meeting place		
Gambier Amoroo	Aboriginal for lovely place		
Gambier Attunga	Aboriginal for high place		
'Ereng Balam on the Limestone' Fun and Recreation Centre	"Ereng Balam" is an Aboriginal - Boandik people - term, meaning: "home of the eagle hawk". "Ereng Balam on the Limestone" does indicate the location and also does combine Aboriginal heritage and the location's name by modern times.		
Prawul Martung	Wellness Centre in Boandik language. There would need to be a consultation with the Boandik people to get their approval. This is my suggestion.		
Yuna Hub	Yuna is the Boandik word for Swim and hub builds the idea of a place that brings people together		
The Karboora Centre	Aboriginal name for The Blue Lake.
