Assessment

Applications will be assessed against the predetermined criteria and the capacity of the applicants to deliver the activity as stated within the program guidelines.

The assessment criteria will guide the ranking of applications, whether they will be funded and to what extent.

Funding programs will be assessed by a panel who scores and compares the applications received, based on the selection criteria of the specific program. The assessment panel will consist of at least one Elected Member, one General Manager, Manager Economy, Strategy and Engagement, Manager Library and Community Development, Manager Riddoch Arts and Cultural Centre and Manager Operations Infrastructure.

To ensure transparency and equality, each member of the panel will complete a Disclosure of Conflict of Interest form prior to the assessment of applications.

Council officers who have assisted with an application will not be part of decision making process within the assessment panel for the program they manage.

Applications will be ranked based on scoring from the assessment panel and a report will be forwarded to Council outlining the recommended funds for distribution.

In addition to the criteria of each grant, Council may also determine which applications to support following the below factors:

- Amount of grant applications received, and the funding sought,
- Council's knowledge of the host organisation and the confidence that Council funds will be used wisely and for the purposes stated,
- Potential to encourage the development of the community and providing evidence of general community benefit,
- Applications that demonstrate use of local suppliers/businesses, contractors and Australian made products or improve safety and access for the community,
- Amount of funds available within the funding program budget,
- Potential impact and risk, both positive and negative on Council's brand and reputation, and
- Projects that are consistent with and contribute to Council's Strategic Plan.

An application may become undetermined at assessment and may require further information.

Final endorsement is provided by Council, except where endorsement is undertaken under delegation.

Programs endorsed under delegation are those that do not have set funding rounds and operate on an ongoing application process throughout the year.

An economic impact assessment on each funded event will be completed annually to evaluate the impact and value Council's funding programs provide the Mount Gambier community.
