

City of Mount Gambier's Charter for Children

We listen and respond to the many voices of our children.

Our families are engaged in the care, education and development of their children.

Our children feel they belong, contribute and are valued citizens of Mount Gambier.

Our children are loved, respected, safe and free to be, dream and explore.

Our community fosters equity & access for all of our children & their families.

Our community is a village of many cultures that raises our children through respect, diversity, cooperation & compassion.

Our community is committed to seeing the whole child flourish; creative, physical, social, emotional and intellectual.

Our children have a right to connect with natural environments, to explore, play, be challenged and have fun.

We are bold in the planning and risk management of initiatives developed for and with our children.
